## THE SPLIT & Normal

Machine was one of the first big revolutions in adding machine construction. We took an ordinary adding machine and so arranged it that you could split it between certain columns so as to carry simultaneously different kinds of work on the same machine. For instance, in statement work you wanted to put the month, date and amount. All right, you split the machine into three parts; put in the month, the date and the amount and the only thing you added was the amount—a great idea. We have sold thousands of them. Of course, we have had imitators, but then we have more skilled inventors than all our imitators put together. Burroughs Adding Machine Co. J. B. ERSKINE, Sales Manager, 147 Prince William Street, ST. JOHN, N. B.

### "I Sleep Soundly, Feel Like New"

All Who Lack Vigor, Those Who are Dispirited and Worn Out, should Read This Carefully.

Proof That Health and Renewed Vigor Quickly Return When Right Remedy is Used.

"I am only thirty years old, yet for almost two years I have felt more like seventy-five. I have found it difficult to sleep at night, and in the morning felt so depressed and heavy that effort was difficult. My hands were always clammy and perspiration on slight effort would break out all over me. It was not unnatural that I should begin to brood over the chance that I should be unfit to do my work, and this dread made my sleepless nights perfect misery. After repeated trials of medicines and mixtures, Dr. Hamilton's Pills gave me the grip and acted as naturally as if nature and not the pills were cleaning my clogged-up system. My spirits rose, I felt much better. The sluggish action of the system gave way to normal activity. Dizziness and headache ceased, appetite, good color and ambition to work returned, and have remained. I am like a new man, and I thank Dr. Hamilton's Pills for it all."

This was the experience of J. E. Parkhurst, a well known grocery dealer in Jefferson. Follow his advice, use Dr. Hamilton's Pills for your stomach, kidneys and liver, and you'll enjoy long life and robust good health. All druggists and storekeepers sell Dr. Hamilton's Pills, 25c per box, 5 boxes for \$1.00, or postpaid from the Catarthorone Co., Buffalo, N. Y., and Kingston, Canada.

### BREAK WHISKEY'S GRIP ON YOUR LOVED ONES

Drunkards will tell you with tears of sincerity that they do not want to drink. The craving coming from the inflamed membranes of the stomach drives them to it. Alcure will soothe the trembling nerves and remove the craving that is ruining your home and stealing an otherwise kind husband or father from you. It costs only \$1.00 per box and it does not cure or benefit after a trial the money will be refunded. Alcure No. 1, is tasteless and can be given secretly in Tea, Coffee or Food. Always No. 2 is taken voluntarily by those willing to help themselves. Alcure can now be obtained at our Store. Ask for Free Booklet telling all about it and give Alcure a trial. E. C. Brown, druggist, St. John, N. B.

## BUSY DAY FOR POLICE COURT

### Fourteen Prisoners in Court to Answer Various Charges—Morning and Afternoon Sessions Held.

Yesterday proved a busy day in the police court, there being morning and afternoon sessions. In all 14 persons were called to answer charges. In many of the cases which were concluded in the afternoon the defendants were dealt with leniently by Magistrate Ritchie, who gave each one of those heart to heart addresses of advice to keep clear of rum, which in every case was responsible for their trouble and advised all to take the pledge to keep clear of liquor. Four defendants and one witness promised the court to take the pledge for one year each. Three prisoners were fined \$8 or two months in jail for drunkenness. George Tucker, charged with being the proprietor of a house of ill repute in Sheffield street, and Cassie Cain, Agnes Cunningham and Kate Harrington, charged with being inmates were brought before the court. They were arrested on Nov. 5. Three prisoners were fined \$8 or two months in jail for drunkenness. 1913 Six-48 h.p. 7-passenger Touring Car \$2500 f.o.b. Orillia

This new Torpedo-Body "Six" with its deep Turkish upholstery and Gray & Davis electric cranking and lighting system is a step ahead of anything yet offered to the Canadian buyer for 1913. The big features that spell comfort are there: Large, luxurious tonneau—comfort for 7 passengers: Hardly a quiver from the silent, smooth-running engine: Power—more than you need. The details are right, too (see the list). Building in Canada puts this car on the market at a fair price. The 35% saved in duty goes into car value—greater strength of frame—superior construction of axles (front, Timken Roller Bearings; rear, floating type)—exact inspection and machining of the motor and running parts.
