and wharf, Bartholemew Brown, a wharf; James L. Savage, fish house; Elizabeth Savage, wharf damaged; Roland Newman, Savage, whari damaged; Koland Newman, lost a fish house and wharf; Stephen Mitch-el, a large smoke house and wharf. At Welshpool, the small boats and fish houses suffered considerably. The tide was the highest there for 20 years. Geo. Conley Leonardville, had his fish house caaried away. Event Richarden's wheat at Richards Frank Richardson's wharf at Richard- famous and dishonest piece of legislation. famous and dishonest piece of legislation. He was himself a sufferer from its effects and he suble on the subject with a proper At Lord's Cove, Charles Lord's boat was liven ashore and injured a good deal. The boats at Lambert town and Stuart own suffered much damage. He was himself a sufferer from its effects and he spoke on the subject with a proper degree of feeling. That such a measure could be proposed and carried through parliament shows the utter shamelessness sure bill was under discussion. Mr. Blair stated that he had endeavor

ed to secure the passage of a bill amending the general railway act last session, but it At Beaver Harbor, the storm was let very keenly. Schrs. Nellie Gray, Hustler, Margaret and Triumph dragged ashore. The Nellie Gray had her quarter stove by coming in contact with the Hustler and the Margaret lost some of her head gear. A fieling heat helenging to Lawie Halmos was opposed by Sir Charles Tupper and the whole opposition party, and thus pre-

The railway track along the shore front at St. Andrews was badly undermined by wich and Westfield in Kings county were fact was that the opposit on systematic cally blocked the bill, and Sir Charles Tup a Tery strongholds, which they are not, and that the county of Queens gave a good Liberal majority, which it does. To over-come the Liberal majority in Queens the parishes of Greenwich and Westfield would be added to it and the chances of a Liberal representative being returned for Queens would be greatly lessened. Take another case which might have happened if the Liberals had been willing to follow the bad example of the Tories. At the last greatly have happened the whole opposition party prevented from becoming law. This fact will serve as a fair measure of the honesty of this poli-

last general election Mr. Foster had a very large majority in the parishes on the east side of the St. John river, es-pecially in Stanley, St. Mary's and Marys-ville. To make Mr. Foster's defeat certain it would only be necessary to attach the eastern parishes of York for electoral purposes to the county of Northumber-iand, and that would be no worse than what was done to many of the counties of Ontario by the Tory gerrymander act of 1882. Yet what Liberal could be found there is a better tone than noted for some to approve such a measure, even if introduced by the government of his choice? ment of staples and the aggregate carn-A thousand Liberal protests would be raised against such unfair dealing; but not ings themselves would seem to point to much of this cutting being unnecessary. raised against such unan dealing, but her one Tory public man or newspaper con-demned the gerrymander of 1882. It was for the benefit of the party and that was enough. For the same reasons theft, rob-bery and even greater crimes might be Stock speculation remains stagnant with the effect of keeping bank clearings down

opportunity of illustrating his peculiar qualities. A bill respecting the Brandon and South Western Railway Company was before the house and Mr. Richardson of Ottawa, March 7.--The bill entitled "An bit respecting representation in the Honse the bill to bond the road to the extent of storm of Thursday last, which continue to come in, show that it was very severe along the coast in this county. At Wil-son's Beach, Campobello, the fishermen suf-fered heavy loses. Simon Brown lost a large wharf, two fish houses, a new dory and one hundred casks, in all about \$1,000 worth. Thos. Fitzgerald lost a fish house of commons," as already announced in my despatch, was passed through the com-mittee stage last evening. This bill, it will be remembered, was passed by the House of Commons last session after a long de-bate and rejected by the senate which claims to control the legislation of a Lib-ster of railways and accusing the min-ster of railways of the senate which and not carried out \$15,000 a mile, although he had agreed to that sum when the bill was before the legislation because he had not carried out

Conditions in Jamaica.

Kingston, Ja., March 9 .- The municipal elections yesterday resulted in a discomfiture for-those who are charged with nunicipal corruption and as a result, the city of Kingston is enfete. There is intense dissatisfaction here at the refusal of the British chancellor of the exchequer-parliament to remove the sur-tax on West India rum or impose a countervailing tax on sugar. It is proposed to organize meetings throughout the West Ind es in order to fight the question. The citizens of Demerara, enraged at the muddle of the finances there, have called a public meeting to protest against

the extravagance of the government. An Inland Revenue Order.

Ottawa, March 9.-(Special).-An order in council has been passed providing that the department of inland revenue may refund to any licensed distiller in respec to spirits exported, any sums he may be called upon to pay in respect of duties upon deficiencies in excess of the full legal

allowance. Provided 1st-That said spirits shall have been in bond not less than seven

2nd-That whatever length of time beyond the said seven years it may be stored the deficiency allowed shall not in respect of any specific package exced thirty-one per cent of the quantity originally warehoused.

This regulation shall be deemed to have gene into force from 1st July 1899.

Deserted His Wife and the Army

177 in this week a year ago. On 89 railroads operating 89,397 miles o track the gross earnings aggregate \$40,892, Fredericton, March 9 .- Private Fred 785, a gain of 19 p. c. for February over last year and the heaviest percentage of Foster, the canteen steward of R. R. C. 1., has deserted and taken with him upgain reported in any month since Novemwards of \$150, several weeks accumulation of canteen funds. On the 18th ult., Fosber 1897 and the heaviest on record for any February. Wheat, including flour shipments for the ter obtained a short forlough on the pretence of visiting a relative, but he has not returned since. It has been discovered that two barrels of beer, imported for the week aggregate 4,256,758 bushels against 4,-398,821 bushels in the corresponding week of 1899. Corn exports for the week aggreuse of the soldiers, were tampered with gate 2,187,824 bushels against 3,766,586 and replaced with water. Private Foster is a native of Keswick and has been con-As a result of increases in Europe, Australia and Argentina the world's stock His whereabouts are unknown.

Peace at Santo Domingo.

Santo Domingo, March 9-(Via Galves ton, Tex.)—The present movement against the government may be considered ended. General Pepin, the former governor of Santiago de Los Caballeros, and three of his followers are being pursued by the troops of the government and it is expected they will be taken prisoners at any moment.
