STEVENS
FIRE ARMS

"To ride, to shoot, and to speak the truth" was all our forefathers thought necessary to teach a boy—if he could do these three things, the rest would take care of itself. Nowadays boys ride something besides horses, shoot something besides arrows, and, let us hope, learn something of geography, arithmetic and spelling, as well as "speak the truth."

But it is just as true to-day as ever it was, that the boy who rides, shoots, and speaks the truth, is apt to be a pretty manly sort of fellow, who knows how to look after himself and will make his way in the world.

Give your boy a "Stevens" and you give him a good start towards confidence and self-reliance, which is at the bottom of all accomplishments.
