

1854.]

BILL.

[No. 163.]

An Act to amend the Act incorporating the Hamilton and Toronto Railway Company.

WHEREAS by an Act passed in the sixteenth year of Her Majesty's Preamble,
Reign, intituled, "*An Act to incorporate the Hamilton and Toronto*
"*Railway Company*" power is given to the said Company to make and
complete a Railway from the Terminus of the Great Western Railroad at
5 the City of Hamilton to the City of Toronto upon such line as may be
found most advantageous for the purpose, the said line being first approved
by the Governor in Council: And whereas the said Company have located
the said Railway in the manner pointed out in the said Act and the line
so chosen has been approved by the Governor in Council: And whereas
10 the said Railway crosses the River Humber at a point near the mouth of the
said river: And whereas the safety and convenience of Her Majesty's
subjects will be greatly promoted by authorising the said Company to
erect a fixed and permanent Bridge across the said river: Be it therefore
enacted, &c., as follows:

15 I. It shall and may be lawful for the said Company to make and con- Company
struct a fixed and permanent Bridge across the said River Humber or may make
across any other River over which the said Railway may be carried: Pro- permanent
vided always that the height of the said Bridge across the River Humber Bridges across
shall not be less than ten feet clear above the ordinary level of the water Rivers.
20 in the said River.

II. This Act shall be deemed a Public Act.

Public Act,
