You would greatly enjoy  
them. Last Wednesday we  
had an exceedingly good  
paper on Ruskin & very  
good speeches & a large  
& sympathetic audience.

I have been going  
every Saturday to the  
National Gallery to hear  
Mr. Edmund Jagg lecture  
on the pictures. I wish  
you had met each other.  
You would have so much  
in common. He is one  
of the most remarkable  
men I have met quite  
a genius & also a fine  
& strong & lovable character.
