Errick F. Willis, Esq.,
Somerset Building,
Portage Ave.,
Winnipeg, Man.

Dear Errick:

I have your letter of 14th. Will be
glad to see young Mr. Whidden when he arrives.

I don't think you will likely succeed
in getting mortgage moneys here. The investing
public does not like mortgages the way they used
to.

Have been reading with the greatest
interest the first day's proceedings on the Seven
Sisters investigation. It looks as if Fawcett
Taylor is going to score on this matter, and no
one in Canada will be quite so pleased when he does.

Yours very truly,

AM/E.

Arthur Meighen.
