

NOTE

While this Index attempts to give references under as many individual headings as possible, it may be noted that it also concentrates many entries under several wide general headings, such as the name of a Government Department or a Country. These are in some cases split up into several sub-headings in alphabetical order, with miscellaneous items under a final sub-heading designated "General". Thus, under the heading "United States" there are the following sub-headings:

"Atlantic Bases - Naval Assistance"
"Canadian Legation in Washington"
"Recruiting in"
"Restriction on Imports from"
"Staff Talks with"
"United Kingdom, Relations with"
"General"

Single entries are in chronological order, followed by the number of the Minute (underlined) and of the page. The list of meetings below will indicate the date. Letters A, B, C, & D indicate four meetings held previous to the present system of numbering, and only added to Volume I at a later date.
