

Persons acting on Old Age Assistance tribunals should, of course, have sufficient knowledge of Canadian historical data during the period, 1800 to 1900, so that facts remembered by the applicant relative to his early life may be related to the dates such happenings occurred. The events usually remembered by Indians in Northern Ontario relate to the reign of Queen Victoria, historical data regarding the Hudson's Bay Company, etc.

reply.

As time is somewhat limited, I would appreciate an early

Yours very truly,

H. H. Jones,  
Director.
