Ottawa, June 28, 1915.

Rev. Sir,-

Rev. Father Cadot of Cape Croker has asked the Department to sanction the admission of three or four children from the Sau geen Reserve and the same number from Cape Croker to the Spanish River Industrial School.

He has been instructed to have the usual application for admission forms filled in and have the children examined by a doctor and sent up to your school. The Department would be glad if you would receive these children and forward copies of their applications here.

Your obedient servant,

Asst. Deputy and Secretary.
