Re: Skwah I.R. No. 4

With reference to Supt. Letcher's letter of May 7th and enclosures attached, the leasing arrangement as outlined therein is approved in principle, but insofar as entitlement of William and Genevieve Mussell to receive rentals from the property is concerned, apart from the 12.97 acre parcel, we do not appear to have any information on file with regard to the Band Resolution of January 16th, 1950, or the action taken by the Department with regard to this Resolution.

I should appreciate being advised if the evidence submitted with regard to the entitlement of Mr. and Mrs. Mussell to location to the 9.7 and 6.8 acre parcels was accepted and if their locations have been approved.
