LOUISVILLE, KY., CHOSEN.

For Next Triennial Session of International Sunday School Convention, Toronto, June 28.—Amid a turmoil of songs and banner waving, the City of Louisville, Kentucky, was chosen as the next meeting place of the international triennial Sunday school convention. San Francisco, the loser, was defeated by a vote of 447 to 446. The delegates of the champions of the two cities were enthusiastic, and the president, Judge MacLaren, had some difficulty in securing order. The delegates from Louisville and the vicinity rose in a body, and waving their banners, united in a strenuous rendition of "Dixie." The San Francisco delegates sang "My Country, 'Tis of Thee." The first ballot showed San Francisco 422, Louisville 420, Winona Lake 195, and Little Rock, Ark., 146. The vote was insufficient, and the voters for the last named town threw themselves into the scale for one or other of the leading cities. Whereupon Louisville won.

The second feature of the morning was the increase of the yearly pledge fund to \$75,000 instead of \$50,000, as previously pledged. The utmost enthusiasm prevailed. The increased capital will be used for work in Japan and for negro work.

Linked hand in hand, six thousand people stood up in Murray Hall last night, and in one mighty chorus, "Hail Be the Tie That Binds" ended the last session of the eleventh international triennial Sunday school convention. The big congress of Sunday school workers is over. Today the delegates will scatter to their homes in every Province of Canada and every State in the Union, to await the next meeting, in 1908, in Louisville, Kentucky.

Told the Truth, But Gave to Jail.
Berlin, June 28.—Here Kuehn, a Social Democrat member of the Reichstag, was sentenced yesterday to three months' imprisonment for insulting members of the German expedition sent to China in 1900, by saying in a campaign speech: "Our soldiers in that desolated land plundered and abused women." A number of former soldiers of the expedition were examined and gave corroborative testimony in great detail.

Farmers Before Sportsmen.
Toronto, June 28.—The Government has decided not to accede to the request of sportsmen desiring to purchase 2,800 acres of Crown land in Cardwell Township, Muskoka, to be used as a private game preserve. The land is said to be good agricultural land and some parts of it are well timbered.

WORLD OF SPORT

FOOTBALL

Sandwich, June 26.—By defeating the Thistles, of Windsor, on Saturday, the local Association football team clinched the championship of the Western section of the Peninsular League, and is now entitled to play off with Darrell, Ont. winner of the Eastern series, for the Walker Cup—Mail and Empire.

This is a little previous in view of the fact that Chatham and Darrell are tied at present, each having won a game and two games being tied.

LAURELSE

That Monday's game will be a good one in becoming more apparent day by day. St. Thomas is strong and are to be accompanied by a bunch of fans. Some difficulty is being experienced in getting a referee. St. Thomas had agreed to Dr. Campbell, of Detroit. They now insist upon either Wagborne or Brown Jackson.

The Shamrocks and Chippewas played a scheduled city league game on the park last night—result, Shamrocks 3, Chippewas 1. Both teams contain future stars and the play was fast. The Shamrocks are unbeaten and this is the first defeat for the Chippies.

GAYNOR-GREENE LOSE

Canadian Supreme Court Falls Them in Appeal.

Noted Georgia Embezzler Must Be Handed Over to United States—After Three Years' Litigation, Through All Sorts of Courts, They Must Stand Trial—Details of Cause Celebrate in Canadian Courts.

Ottawa, June 28.—The Supreme Court yesterday morning quashed the appeal of Gaynor and Greene from the court below, and by a unanimous opinion the court holds the two Americans are subject to extradition and should be handed over to the United States authorities.

This is understood to finally dispose of a case which will be historic in Canadian legal history. Gaynor and Greene had been in the employment of the "Scholarship" of the United States, and were charged with embezzlement in connection with certain transactions in the State of Georgia. They escaped to Canada in 1902, and an application for their extradition was made by the United States authorities to the extradition commissioner, Urie Lafontaine.

Lafontaine issued his warrant for arrest, and Gaynor and Greene applied to Justice Andrews for a writ of habeas corpus. When the facts were made known to Justice Andrews he remanded them to their lawful custody in Montreal, whence he thought they never should have been removed. Gaynor and Greene then applied to Justice Carson, who issued a writ of habeas corpus returnable before himself and ultimately discharged the accused. An appeal was then taken by the United States Government to the judicial committee of the Privy Council, who, on February 8 last, advised His Majesty to reverse the two judgments of Justice Carson on August 13, 1902.

Proceedings before Commissioner Lafontaine were then renewed, and after evidence had been heard he ordered the extradition of the accused. An appeal was then taken to the Supreme Court, but the United States Government entered a motion to quash the appeal on the ground that it was against good faith, and as it arose out of a criminal charge was incompetent. That motion has been granted, and as the judgment is understood to be final Gaynor and Greene will now be returned to Georgia for trial on the charge of embezzlement originally laid against them.

RAILWAY COMMISSION.

In Duthe vs. G. T. R. Chairman Kilian Duthe's Commission's Ability.

Ottawa, June 28.—The complaint of J. H. Duthe of Toronto, on behalf of Hoffman & Co. of Detroit against the Grand Trunk Railway Co., on account of demurrage charges, was heard by the Railway Commission yesterday morning.

"We may be able to make an order of some kind, but I doubt our ability to adjudicate in money matters," said the chairman.

Judgment on special complaint was reserved, and Duthe then made the argument that the car service, or demurrage charges collected by the Grand Trunk were unjustifiable, and in the nature of extortion. He said the Car Service Association was a combination in restraint of trade. It owed its existence to the fact that the agents of the railway companies were unable to collect unreasonable charges.

In reply to Mr. Duthe, M. K. Cowan, for the Grand Trunk, said that the whole matter of the car service was a subject of discussion at present between the Manufacturers' Association and the railway companies, and they hoped within the month to arrive at an amicable arrangement.

The trouble with the people who repeat everything they hear is that they don't hear everything they repeat.
