

## MONTHLY NOTES.

A meeting of the St. Alban's Cathedral Athletic Club was held on Thursday evening, March 25th, a very fair number of the members being present. Reports of the various committees were presented and adopted, also the revised by-laws and regulations, which the Secretary was instructed to have printed. A resolution of sympathy to be tendered Mr. Haines on account of his late misfortune, was passed, and the hope expressed that he would soon be with us again. A committee composed of the following members was appointed to arrange affairs for the coming cricket season:—Mr. A. G. Sweatman, Dr. Harrington, Messrs. M. E. Matthews, H. Palmer, H. Hancock, jr., and R. E. Pack.

After the President remarking that he hoped the coming season would see a large addition of members to the Club, the meeting was adjourned until June 17th, when the annual meeting will be held.

The Chapel is fast progressing towards completion. The outside is nearly finished. The interior work is not extensive, and it may therefore be expected that our next issue will be able to announce the building fully completed and in use.

A party of laymen, not connected with the Cathedral in any official capacity, of which Mr. Henry T. Wickham is the chief mover, have voluntarily undertaken to assist the carrying on of the Bishop's envelope scheme. This scheme seems to be very popular among the laymen of the city, and we believe also of the Diocese at large so far as the people's knowledge of the Cathedral extends.

While we regret the loss which the Church sustains by the Rev. J. C. Roper's departure to a new field, we are pleased to be able to extend our congratulations to our former Priest-Vicar, Rev. Charles H. Shortt, upon his promotion to a larger sphere of work. His success on our west side augurs well for his future career in the parish which adjoins us upon the east.

The sexton has a lady's seal muff in his possession which he is ready to hand to any lady who can satisfy him of her right to have it.
