Attempts have been made to show that Irish tenant farmers have been able very largely to increase their deposits in the banks, in consequence of the better harvest of 1890 and the non-payment of the rents; but the hitherto accounts of the National Bank do not confirm that surmise.

At a time when the Government is clamoring for coercive measures for Ireland, it is a pleasant fact to be able to record that notwithstanding the great vigilance of the police and their anxiety to make every little case at the Charleville Petty Sessions, on Jan. 21st, there were only six cases of drunkenness in the space of a fortnight, within which period the people were exultant and had illuminations in honor of the acquittal of Mr. Parnell and the other traversers.

LONGFORD.

At the Longford Petty Sessions, on Jan. 31st, Mr. Patrick Donnellan, jr., an extensive merchant, was called upon to show cause why information should not be taken against him for having circulated certain notices, warning traders and others to have no dealing with a Mr. William Pennell, of Clonra, county Longford. Ayer's Cathartic Pills

Combine the choicest cathartic principles in medicine, in proportions accurately adjusted to secure activity, certainty, and uniformity of effect.

They are the result of years of careful study and practical experiment, and are the most effectual remedy yet discovered for diseases caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment.

Ayer's Pills are especially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy action.

Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine.

Being compounded of the most effectual and virtuous of purely vegetable substances, they are positively free from calomel or any injurious property, and can be administered to children with perfect safety.

Ayer's Pills are an effectual cure for Constipation or Costiveness, Indigestion, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness, Headache, Loss of Memory, Numbness, Itchiness, Jaundice, Rheumatism, Eruptions and Skin Diseases, Dropsy, Tumors, Worms, Neuralgia, Colic, Gripes, Diarrhea, Dysentery, Gout, Piles, Disorders of the Liver, and all other diseases resulting from a disordered state of the digestive apparatus.

As a Diaper Pill they have no equal. While gentle in their action, these PILLS are the most thorough and searching cathartic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They stimulate the appetite and digestive organs; they operate to purify and enrich the blood, and impart renewed health and vigor to the whole system.
