Inflammatory Rheumatism Cured. "AYER'S SARSAPARILLA has cured me of the Inflammatory Rheumatism, with which I have suffered for many years. W. H. Moore." Durham, Ia., March 2, 1882.

"Eight years ago I had an attack of Rheumatism so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AYER'S SARSAPA-RILLA, by the use of two bottles of which I was completely cured. I have not been troubled with the Rheumatism since. Have sold large quantities of your SARSAPARILLA, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public.

UNFERMENTED WINE Prepared for Sacramental and Dietetic use

F. WRIGHT, MANUFACTURING CHE KENSINGTON HIGH STREET, LONDON, W.

"This WINE is guaranteed to be the juice the finest grapes of the Cote d'or, Andalt sia, and the Medoc. It is perfectly free from Alcohol, and is guaranteed to be Pure Grape Jaice. It has stood the test of 22 years continous sale in every climate, and is now used in upwards of 1500 Churches of all denominations. The mode of manufacture is a slight modification of a well-known ancient practice, and effectually preserves the grateful flavor and the rich nutritious qualities unimpaired. It is therefore admirably adapted in cases of debility and fever, in which the stomach is too weak to digest other food. Children suffering from febrie ailments drink it with avidity, even when all other food has been refused.

JOHN M. HODGES, Esq., M.D., F.C.S, Public Analyst for Antrim County and Belfast Borough,

"I have chemically examined the bottle o Wright's Unfermented Wine (taken by my son from the stock held by Mr. Wright's delfast Agent), and find that it is free from alcohol, and contains the constitutents of grape juice. When mixed with water it will prove an agreeable beverage."
