Follow It Right Through

K EEN Canadian Business men follow transactions right through to the end in their business, but very often fail to carry out this principle in the management of their estate after death. Very often individuals with absolutely no knowledge or experience of estate management are appointed Executors and Trustees. In appointing this Corporation the Executors and Trustees of your estate, you are securing the services of a specialist at the work with wide experience in the management of all manner of estates; your estate will get the benefit of the best judgment of the oldest Trust Company in Canada. You will thus follow the principle of careful management of your affairs right through to the end.
