**THE PRESS CLIPPING BUREAU**

Reads every paper in Canada and clips therefrom all articles  
of a business or personal nature of interest to subscribers in  
this department.

Politicians can obtain from it everything the papers say about themselves on any subject  
in which they are interested. Business men learn of new openings for trade, pointers to sell  
goods, addresses of people likely to become buyers, tenders wanted, stocks for sale or wanted,  
reports of new industries or stores, etc.

TERMS—25 per hundred clippings; \$40 per thousand, payable in advance; but a yearly  
contract will be found the most satisfactory.

We have also lists of firms in every branch of trade in the Dominion, the professions, club  
members, society, etc., and we are prepared to address and mail circulars or letters to these  
at any time.
