You can buy a ton of steel for twenty-eight dollars. But a ton of steel made into watch springs is worth twenty-eight thousand. The difference? A matter of refinement. Ford Vanadium is the most highly refined steel used in automobile construction—lightest—strongest—safest.

Seventy-five thousand new Ford Model T's will go into service this season—a proof of their wonderful superiority. The price is \$775 for the roadster and \$850 for the five passenger touring car—complete with all equipment, f.o.b. Walkerville, Ontario. With the warm summer days come the yearly torture of domestic animals by flies, mosquitoes and other insects; prevent this useless suffering by buying

COW COMFORT

an inoffensive yet powerful liquid preparation that will rid your animals of the flies that swarm about them; destroys lice, ticks, fleas; cures skin diseases, scabs, tetters, etc.; cleans, disinfects and removes offensive odors.

You know that animals cannot be healthy when devoured by insects; you know how quickly hogs decline in weight when they are troubled with vermin; by preventing suffering to your cattle you not only perform an act of humanitarianism, but assure perfect health to your animals and profit by it in the end.

Sold in gallon cans at \$2.00 each, but as the contents of a can is to be diluted in four gallons of water, it makes the price really 40 cents a gallon.

"These granaries come in compact bundles. A boy can set up and bolt one together in a few hours. Four padlocks protect the grain. Separator delivery into a spout on the side or into roof manhole—saves work during threshing. Your grain is protected from vermin, wet and thieves. Sell it when you are ready, loading direct from the granary into your wagon, or bagging it. No musty or heated grain. Get my granary and be independent of elevators for selling. Sell at the highest price, no matter how long you store your grain. The Pedlar Granary protects you."

"Write me for my booklet. It shows how profitable my Granary is even on a single quarter-section farm. Use it for 1912. The Book Tells of Big Money for You."
