For the Removal and Permanent Cure of all NERVOUS DISEASES.

And of those Complaints which so frequently prove so painful, wearisome and unmanageable to the sufferer.

NERVOUS TREMOR.

This beautiful and elegant combination of the mysterious powers of GALVANISM and MAGNETISM, has been pronounced by distinguished physicians, both in Europe and the United States, to be the *most valuable medicinal discovery of the age.*

Dr. CHRISTIE'S GALVANIC BELT and MAGNETIC FLUID,

is used with the most perfect and certain success in all cases of

GENERAL DEBILITY,

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA or INDIGESTION, RHEUMATISM, ACUTE and CHRONIC, GOUT, EPILEPSY, TIC DOLOREUX, SCIATICA, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINTS, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, as in NERVOUS DISEASES, which complaints arise from one simple cause—namely,

A Derangement of the Nervous System.

☞ In NERVOUS COMPLAINTS, Drugs and Medicines *increase* the disease, for they weaken the vital energies of the already prostrated system; while, under the strengthening, life-giving, vitalizing influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted system is refilled and weakened sufferer is restored to former health, strength, elasticity and vigor.

The great popularity and excellence of

Dr. Christie's Galvanic Curatives,

consists in the fact that they attract and cure disease by *outward application*, in place of the usual mode of drugging, and physicking the patient, till exhausted Nature sinks hopelessly under the infliction.

They strengthen the whole system, equalize the circulation of the blood, remove obstructions, and never do the slightest injury under any circumstances. Since their introduction in the United States, only three years since, more than

75,000 Persons

including all ages, classes and conditions, among which were a large number of ladies, who are particularly subject to Nervous Complaints, have been

ENTIRELY AND PERMANENTLY CURED,

when all hope of relief had been given up, and everything else been tried in vain!

To illustrate the use of the GALVANIC BELT, suppose the case of a person afflicted with that bane of civilization, DYSPEPSIA, or any other Chronic or Nervous Disorder. In ordinary cases, stimulants are taken, which, by their action on the internal lining membrane of the stomach, afford *temporary* relief, but which leave the patient in a lower state, and with impaired faculties, after the action thus excited has ceased. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worst symptoms of an attack, and simply tie the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will set on the positive element of the Belt, thereby causing a Galvanic circulation, which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A FEW DAYS IS AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.

CURE OF

Rheumatism, Bronchitis and Dyspepsia,

REV. DR. LANDIS, A CLERGYMAN

of New Jersey, of distinguished attainments and exalted reputation:—

BRIDGETON, New Jersey, July 15, 1848.

DR. A. H. CHRISTIE—Dear Sir: You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is as follows:

For about *twenty years* I had been suffering from Dyspepsia. Every year the symptoms became worse, nor could I obtain permanent relief from any course of medical treatment whatever. About *fourteen years* since, in consequence of frequent exposure to the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rheumatism, which for year after year, caused me indescribable anguish. Further: in the winter of '48 and '49, in consequence of preaching a great deal in my own and various other churches in this region, I was attacked with the Bronchitis, which soon became so severe as to require an immediate suspension of my pastoral labors. My nervous system was now *thoroughly prostrated*, and as my Bronchitis became worse, so my Dyspepsia and Rheumatic affection—they evincing that they had been connected with each other through the medium of the Nervous System. In the whole pharmacopœia there seemed to be no remedial agent which could reach and recuperate my Nervous System; for, as I had tried for this purpose *hundreds*, I completely failed. At last I was led by my friends to examine your inventions, and (though with no very sanguine hopes of their efficiency,) I determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID. This was in June, 1848. To MY GREAT ASTONISHMENT, IN LESS THAN SIX DAYS MY DYSPEPSIA HAD GONE; IN EIGHT DAYS I WAS ENABLED TO RESUME MY PASTORAL LABORS, FOR HAVE I SINCE UTTERED A SINGLE SENTENCE OF ABSOLUTE OR VERY BRONCHITIS, AND MY RHEUMATIC AFFECTION HAS MATERIALLY CEASED TO TROUBLE ME. Such is the wonderful and happy results of the experiment.

I have recommended the BELT and FLUID to many who have been likewise suffering from Neuralgic affections. They have tried them, WITH HAPPY RESULTS, I BELIEVE, IN EVERY CASE.

I am, dear sir, very respectfully yours,

ROBERT W. LANDIS.

DR. CHRISTIE'S GALVANIC BRACELETS

These dreadful and agonizing complaints are immediately relieved by the application of the GALVANIC BELT, NECKLACE and FLUID. The Belt, charged with Electricity, thereby imparts the Nervous Tone or Vital effect, and the Fluid acts directly upon the affected nerves, in their distressing affection the application NEVER FAILS.

☞ No trouble or confinement attends the use of *DR. CHRISTIE'S GALVANIC ARTICLES*, and they may be worn by the most feeble and delicate, with perfect ease and safety, in many cases the application attending their use is highly pleasant and agreeable. They can be sent to any part of the country.

ST. LEON AND CAXTON SPRINGS.

MESSRS. [illegible] & Son,

For the past twelve months I have used Caxton Springs, in the Western Canada, and have found a considerable benefit from their use. I find that the Caxton Springs are equal to the celebrated Saratoga Springs, and have been recommended to me by my friends as being very beneficial in cases of Dyspepsia, Liver Complaint, and Nervous Debility. I intend to send my family to the Caxton Springs, every year, during the months of July and August, as I consider the ingredients give them, for sanitary use, a superiority.

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID

FOR RESTORING PERSPIRATION, AND ENERGIZING THE HAIR.

The following Certificate from Dr. Winslow Lewis, one of the most eminent Physicians in Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar ones.

BOSTON, Feb. 15, 1847.

Mr. WM. BOGLE—Sir—The prescription presented by you for the Hyperion Fluid, from experiments I have made and have given it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and cleans the skin of all impurities and scurfiness, without those who may freely use it. The value of this preparation any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in any desired order, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,

A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the *Amole*, or "soap plant," of California, an article used by the natives of that country for washing, and thus the use of strong alkali, so hurtful in the skin, is avoided. Its vegetable and detergent properties have the purest and most beautifying effects on the skin,—it soothes and allays irritation, and has a fine, thick, creamy lather, which does not dry on the face. It is a decided luxury to the shaver with this incomparable soap. It is done up in an elegant style, calculated either for the dressing case of the fastidious connoisseur, or the toilet of the most

"rough and ready" traveller, or the toilet of the most

BALDNESS CURED.

The following is from Sumner F. Barrett, Saratoga Street, East Boston:

EAST BOSTON, Feb. 5, 1847.

MR. William Bogle,—Dear Sir: For several years past my wife has been troubled with baldness on the Crown of the head, about six or seven inches in circumference. After repeated failures of other so-called remedies, and by the advice of friends, she was induced to use your Hyperion Fluid, for the purpose of restoring her lost hair; which, for the purposes of restoring her lost hair, and I am happy to say that its effect has been to cause the hair to grow all over the part affected. She has used only two bottles, and that very irregularly; but she considers it almost and more regular, I am convinced that the growth of the hair would have been accelerated. I am, Sir, yours respectfully, SUMNER F. BARRETT.

BOGLE'S HEBEAIONA,

FOR REFRESHING AND BEAUTIFYING THE COMPLEXION,

Eradicating Tans, Pimples, and other eruptions of the skin, and rendering it fair, delicate, and blooming. It is equally efficacious in preserving the skin from the hot suns of summer, and freezing blasts of winter, and is the most fragrant and delicious article to be found at the toilet of fashion.

All the above articles have stood the test of the strictest investigation, and are WARRANTED superior to anything yet invented.

This Work contains as much valuable and complete account of the Anatomy and Physiology of the Reproductive Organs, and of their relative conditions in health and disease, as any one of the sole contents of the Work; the cases, &c., for are these the sole contents of the Work; the means of prompt, as well as the nature of the disease, are pointed out in clear and intelligible language. In the treatment of Nervous Debility the closest attention and study, for what is the use to be of more import since that the preservation of health, and of the physical capabilities of which every man is possessed, and the restoration of those which the unhappy victim of extensive indulgence and vicious habits, whether acquired in early life, or from the effects of advanced ages, while suffering from their invidious influence, unwisely entertains a fear of applying to a qualified physician for relief, understand, that these complaints are curable, and that the means of cure, alike natural and safe, are at hand, and that the most inveterate cases of disease, originating in the indiscretion and practical physician, and the most delicate and sensitive female, can alike consult the author, or his work, with confidence, and be assured that secrecy, honor, and professional skill, may be implicitly relied on and that the most extensive practice, and the most unbounded confidence of the public, for upwards of twenty years, are a sufficient guarantee for the author's ability to treat successfully the most complicated cases of disease.

OVERWHELMING TESTIMONIES.

OVER HALF A MILLION OF TESTIMONIES

In favor of

HOLLOWAY'S ALL-HEALING OINTMENT.

From Physicians the most skilful and celebrated, from Nobility, Gentry, Clergymen, Magistrates, Officers in the Army and Navy, Merchants, and from all classes of Tradesmen, and from persons in every station of life, have made them shining lights in the paths of Truth, from enlightened Foreigners, from scenes of suffering and Sorrow, from the abodes of Poverty, Misery, and Disease, have emanated testimonies of which not one dissenting voice can be raised against this Ointment to be INFALLIBLE in the cure of Tumors, Ulcers, Sores, Burns, Tetter, Piles, Scrofula, Erysipelas, Chilblains, Scald Head, Sore Eyes, Quinsy, Croup, Rheumatism, Bronchitis, Ague in the Face, Sore Throats, &c. It completely restores the INSENSIBLE PERSPIRATION, and by this means opens those avenues by which nature intended to expel the morbid matter, and thus the system cleansed, the blood purified, and the health restored.

It has power to cause all external Sores, Scrofulous Humours, Skin Diseases, and Poisonous Wounds, to discharge their putrid matter, and then heal them, and will certainly do so, if used to the effectual end ensued.

Part Sale—M. B. WORKMAN & Co's Custom House Square, Montreal.

THIS GALVANIC EMBROCATION is an unparalleled remedy for the Cure of Rheumatism, Acute or Chronic, seated in the Head, Joints or Limbs, Tic Douloureux and Gout, in its worst forms, Palsy, Pits, Scrofula or King's Evil, Sciatica and Hip Complaints, Stiffness of the Joints, Lumbago, Neuralgia, Chilblains, Fever Sores, Salt Rheum, Ring Worms, White Swellings, Diseases of the Skin, Elephantiasis, Goitre or Thick Neck. It is likewise highly recommended in the most confirmed cases of Scrofula and Scrofulous Affections of the Neck, Affections of the Spine, Mesenteral Affections, &c., &c., &c.

It is now generally admitted, by the learned and scientific, that the mysterious power called *Galvanism* or *Magnetism* is in fact the principle of Vitality or Life, and that disease in many of its most painful forms is entirely owing to the absence of this Galvanic or Magnetic power in its healthy proportions. If, then, we can readily supply this wondrous power, when it is thus deficient, we can successfully combat disease; and this has been fully and perfectly attained by this most wonderful scientific discovery, of combining Magnetism or Galvanism with a Fluid which has cost the inventor of this remedy years of study and labor.

There is not an intelligent Physician, who has kept pace with the progress of science, that does not readily approve of the use of the Magnetic power in various diseases, and indeed is scarcely a Medical Journal, either in this country or Europe, which makes its appearance, without the statement of various cases, showing some new effects of these wonderful agents, or corroborating previous experience of their beneficial use. The inventor of the *Galvanic Embrocation* has great pleasure in being able to state, that a majority of the most distinguished Physicians of New York constantly recommend this Embrocation in their practice, and from many of them he has received the kindest testimonials of approval and commendation.
