## MORGAN HARRIS STARTED A ROW

**Was Promptly Told that Township Affairs Were Non-Political**

When Councillor Morgan Harris intimated at the meeting of the Township Council this morning that the Conservatives were getting the best of a certain appointments for municipal offices, he started something.

Reeve Jennings, First Deputy Reeve McCann and Councillor Scafe straightway became very wrathful that such statement should be made. Only a few words were said upon the subject, but during the remarks made it was said that it was the first time such a charge had been made in the council by any member. The meeting was a special one called to appoint municipal officers and hear appeals against the assessment of sidewalks built under the local improvement plan.

The clerk was instructed to report to the council at the next meeting the roads or districts in which sidewalks are constructed, and the amount each road or district pays in taxes on the statute labor.

The collectors of taxes will be directed to make a complete statement to the council of all taxes collected up until January 16 of this year, also the amount of taxes now on the rolls not collected; also a return giving the description and location, with value, of properties not assessed in any way with the amount of taxes collected thereon, if any, the returns to be made to the council at its next meeting.

In future all expenditures of over \$15 of whatever nature, will first have to be approved by the council. No tender must be left before proper notice is given, except in cases of emergency.

The Township Solicitor was instructed to oppose the application of the city for the annexation of the portion of the township lying just west of the Ontario School for the Blind property. Councillor Scafe was appointed to act with the Solicitor.

The city was granted permission to lay a sewer on the north side of Sydenham street in front of the property of Mr. J. M. Lamb.
