Reuben Sparks

Prominent Citizen Who Died at His Home Last Saturday

On Saturday, January 7th Waterdown lost one of its oldest and very highly respected citizens in the person of Mr. Reuben Sparks, whose death occurred at his home here after a brief illness. Mr. Sparks had been seriously ill several weeks ago, but rallied and was able to be around again.

The late Mr. Sparks was born in Devonshire, England, Oct. 8th, 1834 and came to Canada when a youth. He was engaged in farming for over half a century, after which he retired and came to Waterdown where he has been active in all things beneficial to the village, and has made a host of friends here.

Mr. Sparks was a Township councillor and also assessor for a number of years, and for the past 20 years has been one of the village auditors. He was actively engaged in the insurance business up until the time of his death.

Mr. Sparks was married in 1859 to Miss Sarah Jane Mills, of Glanford, who with seven children survive to mourn his loss. Horace of Hamilton, Charles of Buffalo, Alfred of San Francisco and Edward at home. Mrs. Thos. Mills, Carlisle, Mrs. Nelson Morden and Mrs. (Dr.) R. J. Vance, Waterdown.

The funeral took place on Tuesday from his late residence, Mill street, to the Waterdown cemetery, and was attended by a large number of friends. The pallbearers were three sons, Horace, Charles and Edward, and three sons-in-law, Thos. Mills, Nelson Morden and Dr. R. J. Vance.

To the Ratepayers of Waterdown

We the undersigned do make this declaration knowing it to be true, that Richard Smith, Reeve of Waterdown did on the evening of December 26th at a nomination meeting, and also during his house to house canvas through the village, make a false statement which was of a misleading nature to the public, namely: That part of the then existing Council wanted to put through a motion whereby the village would have had to pay between \$1300 and \$1400 for certain work to be done on the Provincial Highway between Main and Mill streets on Dundas street. Mr. Smith claims the credit of saving the village this amount, which is absolutely false. We think the people would prefer facts rather than such campaign literature which has no foundation. It is absolutely false for Mr. Smith to make such a statement, as there never was a motion of such a nature thought of by any one of the three retiring Councillors, and we also challenge Mr. Smith or any ratepayer of the municipality to say that we at any time tried to saddle any debt on the village in any shape or form, and we also invite the closest scrutiny of all our work in the council during the past year.

We hereby challenge Mr. Smith to come across and prove his statements within two weeks from date, and also his motive to put us in a wrong attitude before the ratepayers.

We accept the verdict of the electors in good grace and thank our friends for their generous support.
