Who drives the horses of the sun Shall lord it but a day; Better the lowly deed were done, And hept the humble way.

The happiest heart that ever beat
Was in some quiet breast
That found the common daylight awe
And left to heaven the rest.

Will next year be one of trade depression or one of recovering activity to Canada? That is the question which many are debsting. Always in past periods of depression in Canada has been the one depression in Canada has been the one depression. The cuttom house returns indicate this, as they are all marked by decreased receipts as a result of diminished imports. There is comfort, however, in remembening that the United States depression in Canada will be one of depression.
