

# The Acadian

Vol. XXXIX. No. 6.

WOLFVILLE, NOVA SCOTIA, FRIDAY, OCTOBER 31, 1919.

\$1.50, payable in advance.

## Gov. Grant on Victory Loan

To the people of Nova Scotia:  
To all previous "calls" of the Victory Loan campaign, during the active days of the late war, Nova Scotia responded loyally, splendidly, achieving an enviable name for patriotism. Canada still needs money to complete the financial burdens obligated by the war. Besides, Canada's credit must be kept undiminished, unstained and strong if the Dominion is to develop and progress. The 1919 Victory Loan has been instituted for those purposes, and I emphasize the supreme importance of every citizen of Nova Scotia undertaking loyally to do their part in assuring the success of the Loan. To do this, and to do it by subscribing as well as by voice and other aids, is the duty and patriotic opportunity of all.

I have every confidence in the people of Nova Scotia in this matter. I am an optimist first, last and all the time and firmly believe that the target set for this Province will be realized, and that once more we will hear it reached from one end of the Dominion to the other—'Well done Nova Scotia.'

MACCALLUM GRANT,  
Lieut. Governor of Nova Scotia.

Rev. G. D. Millbury has resigned the pastorate of the Gaspereau church and is leaving this week for North Varsalboro, Maine. Rev. Mr. Millbury has done good work at Gaspereau and has made a host of friends who will follow him with best wishes to his new field of work.

## Wolfville Suffers Loss by Fire

EVAPORATOR BURNED LAST FRIDAY AFTERNOON—WILL BE REBUILT.

On Friday afternoon of last week the Wolfville Evaporator was practically destroyed by fire, which occurred in one of the kilns where the fruit is dried.

The blaze was discovered at about 3 o'clock and an alarm was at once rang in. The firemen promptly responded but the fire had made such progress that it was at once seen that the building was doomed. At the time the fire was discovered about fifty persons were at work in the different departments and these barely had time to make their escape. The large apple house alongside the Evaporator had a narrow escape, being several times on fire. Fortunately there was an abundant water supply, and the firemen worked with a will.

The Evaporator was erected in the summer of 1918 and with its equipment would probably cost to-day from \$16,000 to \$17,000.

There was also probably \$7,000 worth of manufactured product contained in the building. We understand that the loss is pretty well covered by insurance.

The business was owned by a company consisting of Messrs. W. H. Chase, R. A. Jodrey and Dexter Forsyth. Their loss will be particularly heavy from the fact that they were just beginning what promised to be a very successful season and have a large amount of apples purchased which it will be difficult to dispose of.

## Municipal Elections

Tuesday of last week was nomination day for elections for the Municipal Council of Kings. The elections will be held next Tuesday, Nov. 4th, but in most of the wards there will be no contest. The nominations were as follows:

Ward 1:—C. Mack, Halle Bigelow, A. S. Burgess, Willard Illsley.

Ward 2:—C. A. Campbell, acclamation.

Ward 3:—C. R. Bill, acclamation.

Ward 4:—H. R. Bentley, acclamation.

Ward 5:—Gons Bryden, acclamation.

Ward 6:—Harry Eagles and Frank Doyle, acclamation.

Ward 7:—W. E. Anderson, acclamation.

Ward 8:—George Bishop, J. Elliott Smith.

Ward 9:—E. R. Gertridge, acclamation.

Ward 10:—Lamert Nichols, and Fred Munro.

Ward 11:—L. Gaul, acclamation.

Ward 12:—Joe Smith, S. S. Setfridge.

Ward 13:—G. B. Nichols, A. Durno, B. Bezanon.

Ward 14:—Ben Benjamin, James Cahill.

The destruction of the building is a decided loss to the town and surrounding districts as the industry employed a large number of people and furnished a market for a great amount of fruit.

We understand that the nomination of the council is being postponed as long as possible owing to the difficulty of securing help and material it can hardly be expected that they will be able to resume business for some time to come.

## Women's Institutes

HOLD INTERESTING CONVENTION AT TRURO.

The first convention of the Nova Scotia Women's Institutes since the appointment of Miss Helen J. Macdougall as superintendent, was held at Truro, on Oct. 22nd and 23rd.

The meetings on Wednesday were held in the Science Building at the Experimental Farm and were representative of the Women's Institutes in Nova Scotia and Cape Breton.

Demonstrations were given by Mrs. Wm. Bligh, of Halifax, in First Aid work and practical suggestions in Home Nursing.

Mrs. Currier of the Domestic Science Department, Normal College, gave a talk on School Lunches and had prepared samples, which were very practical.

The reports from all Institutes showed their activity during the war and what had been accomplished during the year of peace.

On Wednesday evening Dr. Cumming presided and after the address of welcome by Mayor Coffin and the reply by Mrs. A. E. Dexter, Mrs. E. M. Murray, of Halifax, gave an address on "Citizenship" that should be heard in every locality.

On Thursday morning Miss Dora Baker, Normal College, was very interesting in a talk on Rural Science, and urged the Institutes to take more interest in the High School Girls. This was followed by reports from six Rural Science Travelling Teachers who are working in different districts in Nova Scotia.

Mrs. Macdougall explained about the Convention of Federated Women's Institutes for Cana-

## Football Notes

The Mount Allison football team was defeated last week by St. Dunstan's University, Charlottetown, the score being 9 to 0.

Dalhousie won the first game of the Eastern Inter-Collegiate Football League at Antigonish last week, when they defeated St. F. X. by the score of 22 to 0.

The Dalhousie football team defeated Kings College in a well-contested game at Halifax, on Tuesday. The score was 3 to 0. The Dalhousie team are now the champions of the Eastern Inter-collegiate League.

da to be held in Toronto on Nov. 7th and said that every province but Nova Scotia and P. E. I. had been represented and that it was very important to have a delegate sent. On ballot Miss Stuart, Grand Pre, was elected to accompany the Superintendent to this convention.

On Thursday afternoon and evening the Institutes held joint meetings with the Local Councils of Women in the Science Building, Normal College, at which meetings the subject of care for feeble-minded children was discussed and a resolution passed asking the Provincial Government to establish a home where these unfortunate children will receive proper care and instruction. This subject was discussed by Mrs. Mader, Mrs. Dennis, Mrs. (Dr.) Clark and Mrs. E. M. Murray, of Halifax, and Miss Murray, of New Glasgow.

Mrs. John Stanfield entertained all the delegates at afternoon tea at her home.

On Thursday evening addresses were given by Mrs. Stead, Halifax, on the necessity for a home

## AN EXCHANGE OF MONEY THAT PAYS

When you buy Victory Bonds, you simply exchange one kind of money for another.

A dollar bill is Canada's promise to pay.

So are Victory Bonns.

But Victory Bonds pay INTEREST.

Consider the security behind Victory Bonds---  
Canada and all that is contained therein.

Consider the good rate of interest---  
Victory Bonds pay 5 1-2 per cent---nearly twice as much as Savings Banks.

Consider the saleability of Victory Bonds---  
Their use as collateral for a loan.

Their prospective advancement in price.

Consider the purpose for which Canada requires the money:--

Cleaning up our obligations to the army and maintaining the prosperity of the country.

Are not these reasons the best in the world for exchanging one kind of money for another?

Should not every Canadian put all his weight behind this Loan?

Should not he exchange all the money he has for Victory Bonds?---and all the money he can save for the next ten months to come?
