The City Fathers New Council at Its First Meeting

Without any preliminaries the bus ness of the Council of 1909 Medical Hat's red letter year to be, settled dow to serious everk at its liest meeting, Monday the 4th inst. All the new dermen were there, Alds. Huckvale a Penhale being the only absentees fr

the council.

At the outset Mayor Milne read address, indicating various importantes in civic administration. speech is published below.

Gentlemen, - Before proceeding we the business of the session there some matters which I think it well outline for your consideration. At the present time there is con erable business requiring your immu-ate attention, in fact, the indicated are for an exceptionally busy you. To expedite business in Council a at the same time give full and discussion I shall insist on every derman rising to his feet when spea shirl to as full and fair as pos-thie, and I trust, gentlemen, that y-will support me in this and make r duties along this line as light

p. ssi'le. would also suggest that chairmen get their committees toge er and decide on the course to adopted on any matter coming untheir jurisdiction so as to eliminate much as possible detail work Counci!.

In regard to the waterworks doubt the old members are aw that the chief trouble with the fi Mant last season was the want nower to pump the water into lilter be is and also that the cap ty of the filter plant is not suffice for this summer's anticipated quirements. It will be the duty the Water Commissioners to at take this matter up and have They will elso have consider the matter of hydrants the hill for fire protection and dustrial Place if the bylaw to the saver pipe industry carries.
question of thanking and placing department upon a better busines this end in view I would suggest your consideration the adoption frontage tax system to meet the ment of debentures and interest adjust the fire projection charges accordance with the powers given our City Charter. Then the cosconsumers would be governed ent by of erating and maintenance ex-ses, which should be sufficient to

all contingencies. Finance. This is a committee ontrol and I think it could very itably take up the whole questi the city's finances. While the every reason why we should it now and adopt a system that be satisfactory. For instance be satisfactory. For instance reality but the duration of the is unknown to us, and it migh advisable to establish a sinking for their liability as provided

our charter.

I have carefully considered the ter of our City Hall staff and arrived at the conclusion that could with a wantages to the amalgamate the offices of Secand Treasurer. The work con-done then with two competent met devoting all their time to-work. I would suggest that cancel the bylaw appointing on-sent Treasurer and Secretary and vertice for analysis for the vertise for applications for the sistant Se retary. Trassurer, would devote their whole time wity's work and allow no other enty work to be transacted a sity offices. I wish it to I tinctly understood that I am asting reflections upon the official I simply wish to start what we require is a man to ! office, and not create an office

I Wink, gentlemen, it would money we'l spent and give ever ipal auditor to

ipal aggiver to get a present an statement as to I must corfess to conception of the ion at the present and a is just possible his advibe of great value to us. He would like to impress upon the lous chairmen the necessity of ing the money at their dispositive hark before incurring any pense as I have no intention of the positive of the hark before incurring any pense as I have no intention of the current of the course o say that money for permanent will have to be voted by the
