## Assuring Your Business

A policy of advertising is a policy of life assurance, and the protection thus secured is well worth its annual cost.

Old customers die or move away—they must be replaced.

Old customers are subject to the influence of temptation—they may be induced to divide their custom—to do some of their shopping at a competitor's.

New comers to this community will shop with you—become regular customers—if they are invited to do so.

Your competitor's advertising is an influence which must be offset if you are to maintain your trace.

Not to advertise regularly to the readers of the UNION ADVOCATE is to leave your business unprotected.

### A WORD TO THE PUBLIC

It is no sign of weakness to follow the lead of advertising. You owe it to yourself to get the most for your money, the best goods and the best service. And if you find that your inclination is to shop where you are invited to shop rather than to continue to be a customer of the shop which never solicits your good-will you need have no compunctions of conscience.

## PRINCE TO HEAR THE LATEST WORLD NEWS

That the Prince of Wales takes a keen interest in the affairs of the world, and particularly the affairs of the Empire is well known. He is always found well-informed on momentous subjects and does not, as many probably think judging from press reports, devote all his time to polo, steeple chasing, golf swimming and dancing and even when he is on a holiday it is essential that he should be kept posted on what is going on in the world. Having this in mind the Canadian National Rys. has arranged other details of arrangement placed a radio receiving set on the private car Kenfrew which will be occupied by the Prince of Wales during his journey from New London, Conn. north to Montreal and then west to Calgary, Alta. This radio set will not only receive the programmes broadcasted by the stations with which radio fans are so familiar. It will be used also for the reception of news bulletins specially selected as being of interest to His Royal Highness.

## SENATOR FOWLER DIED TUESDAY

The death of Lieut. Col. the Hon. Senator Geo. W. Fowler, K.C., which occurred at his residence in Ottawa Tuesday evening after a lengthy illness, will be learned with sorrow and regret throughout New Brunswick in particular and in many other parts of Canada. His passing also removes from the ranks of the Conservative party one of those who some years ago were its aggressive fighters. His eloquence on the platform together with his ready wit and stinging repartee, made the terror of his debating opponents and the delight of his audiences.

The late Senator Fowler was born in Hammonds Vale, King's County, N.B. in 1859 son of Weeden and Harriet (Fowles) Fowler. He was educated at Varley School, St. John, Dalhousie University and graduated from Boston Law School. Called to New Brunswick bar in 1881; elected to N.B. Legislature 1895; elected to House of Commons for King's County 1900; for King's County in 1904; defeated in 1908; re-elected in 1911; appointed to the Senate in 1916.

For many years the late Senator Fowler had been an enthusiastic militia man, retiring from the 8th Hussars with the rank of Captain in 1898. During the great war he raised the 104th Overseas Battalion C.E.F. in 1915 and proceeded with it to England as Commanding Officer; he was appointed O.C. 13th Reserve Batt. in England.

He is survived by his wife, formerly Miss Ethyl G. Wilson daughter of Capt. John Wilson and by two sons.

These items will be culled from the news of the world and at specified hours and they will be broadcasted from the broadcasting stations of the Canadian National Railways Radio Department. The points from which they are broadcast will depend upon the zone in which the Prince is travelling at the time. When in the Montreal district it will be CNRM that will do the broadcasting. Later CNRT will take it up and then CNRW at Winnipeg. Later CNRC at Calgary will do the heaviest part of the work for arrangements have been made by the Canadian National Railways for the installation of a receiving set at the E.P. ranch. While the Prince is at his ranch which is some distance from any telegraph line, he will be kept posted on the affairs of the day by means of this radio set.

At specified hours of the day the Canadian National Rys., the Calgary Radio Station will broadcast these items, which will include news cabled direct from London. Radio fans will be interested to know that the receiving set to be used will be of the super-heterodyne type with a loud speaker of the same type as that used in San Francisco during the visit of the late President Harding to that city.

## CHIEF JUSTICE M'KEOWN FAVORED

F.C. Mears, Ottawa correspondent of the Toronto Globe says of the selection of a successor to Hon. F.B. Carvell as chairman of the Railway Commission: "Unless the policy of the Laurier Government is to be departed from a member of the Bench will again be chosen and at the present time Judge McKeown of New Brunswick appears to lead in favor.

Strong reason for this favor shown to the New Brunswick jurist is that the Crow's Nest Pass freight rate question will be before the board next month, together with other questions such as the long urged equalization of the rates between British Columbia and the Prairie Provinces by the removal of the mountain discriminatory rates and it is understood to be deemed advisable to get a Chairman who would be detached completely from any interest on one side or the other in these controversies.

Another reason is that the service rendered by Mr. Justice McKeown in his inquiry last winter into the allegations of the Home Bank depositors created a highly favorable impression in Government circles here.

## SNOWBALL SELECTED BY LIBERAL PARTY AS CANDIDATE

William B. Snowball of Chatham was chosen as the standard bearer of the Liberal party in the by-election to be held in Northumberland county on Oct. 7, at a convention of the county liberal association here Tuesday afternoon. Three names were before the convention W.B. Snowball, a son of the late Hon. J.B. Snowball a former Lieutenant Governor of the Province; Chas. J. Morrissy, M.L.A. a son of the late Hon. John Morrissy, M.P. whose death made the by-election necessary and Dr. F.C. McGrath of Newcastle. Dr. McGrath was eliminated on the first ballot and Mr. Snowball took 97 to Mr. Morrissy's 83 votes on the second. On motion of Mr. Morrissy the vote was made unanimous.

Mr. Snowball expressed his hearty support of Premier Veniot and the Provincial Government and urged for unity in the party as the only way of winning the election. Hon. A.B. Copp Secretary of State and John G. Robichaud, M.L.A. Shippagan delivered short addresses. Richard J. Gill, Barnaby Liver as chairman of the Northumberland County Liberal Association occupied the chair and in calling the meeting to order expressed his deep regret at the passing of R.A.N. Jarvis of Newcastle, who had been secretary of the Association. T.H. Whelan of Newcastle was elected to fill the vacant office.

In his opening address Mr. Gill said that if he could speak he would tell of the late Hon. John Morrissy. Although the late Mr. Morrissy had been before the public for years he had carried with him to the grave, an unsullied name. His honesty and courage were his chief characteristics and these had resulted in his having the greatest following ever known in this county. The death of R.A.N. Jarvis too was a great loss to the county. In explaining the purpose of the convention to select a candidate to contest the constituency in the by-election of October 7, to fill the vacancy caused by the death of Hon. John Morrissy, he said that the Conservative party was going to make a strong bid to carry the county and he hoped that although there was a certain amount of friendly rivalry among the people, this would be forgotten and the whole party would get behind the candidate who was chosen.

W.F. Cassidy, Chatham; W.L. Durick of Newcastle and Dr. F.C. McGrath of Newcastle were chosen as a committee on resolutions.

A resolution was passed expressing regret for the death of the late Hon. John Morrissy, M.P. and tendering sympathy to his family. The convention expressed its approval of the efficient and progressive administration given the province by the Liberals since their advent to power and pledged support. Confidence in the federal administration was also expressed with particular mention of Hon. A.B. Copp, being made. Appreciation of the statesmanship of the Premier of Canada was also expressed.

The delegates at the meeting numbered 175. There was some argument over the credentials of several delegates but the matter was settled.

Hon. A.B. Copp, Secretary of State was then introduced. Mr. Copp said that it was not his intention to make a political speech. Speaking of the death of Hon. John Morrissy and the sorrow at Ottawa at his death said: "We miss him very much indeed and deeply regret his passing of a few days ago." The first duty of the association he said, was to select a candidate who would lead the party to vic-

tory in the constituency in the election of October 7th. He would take no part in the selection of a candidate for he had always believed and practised that an outsider had no business taking part in the selection of a candidate for office. He urged them to bury personal feelings and select the strongest man. Their second duty he said, was to stand behind the man who was finally chosen, for he said the candidate could not hope to be successful unless he had a united party behind him. The third thing he had to say was that the Liberal party from the Prime Minister down would do everything in their power to elect the candidate chosen.

After speaking Mr. Copp left the hall.

The chairman called for nominations for the purpose of selecting a standard bearer of the party in the coming election. Charles J. Morrissy of Newcastle was nominated by W.L. Durick of Newcastle; and Colin McKinnon of Douglastown Dr. F.C. McGrath of Newcastle was nominated by W. Walsh of Newcastle and A.M. Arseneault of Rogersville W.B. Snowball of Chatham was nominated by Wm. Savoy of Neguac and Maxim Muzerall of Chatham.

The result of the first poll was:  
W.B. Snowball—78  
Chas. J. Morrissy—57  
Dr. F.C. McGrath—38

Two ballots were spoiled. A second poll was taken immediately Dr. McGrath's name being dropped, and only the names of Morrissy and Snowball being before the meeting. The result was:  
W.B. Snowball—97.  
C.J. Morrissy—83

A delegation of four had arrived from Loggieville between the first and second ballot and one person who did not vote in the first voted.

Mr. Snowball spoke of the need for united effort on the part of the Liberals and urged the party to support the candidate to the fullest extent. He expressed his approval of the Compensation Act but voiced his objections to the manner of its administration. He said he considered the present provincial government the best and most progressive that had ever held office.

Charles J. Morrissy, the defeated nominee in a stirring address, in which he was repeatedly interrupted by cheering, thanked his supporters; congratulated Mr. Snowball; declared his allegiance to the Liberal party; pledged his support to the party and in concluding moved that the vote of the convention be made unanimous for Mr. Snowball. Dr. F.C. McGrath spoke briefly and seconded the motion. It was passed unanimously by a standing vote.

John G. Robichaud, M.P. Shippagan paid a tribute to the late Hon. John Morrissy, with whom he worked at Ottawa for 2 years for the good of northern New Brunswick. He urged the electors to return Mr. Snowball, for he asked what would be the use of returning a man in opposition.

Hon. Mr. Copp who had returned to the meeting offered his help in any meeting as did also Mr. Robichaud.

A vote of thanks to the chairman for having conducted the meeting so efficiently was passed.

The convention broke up at 6:20 o'clock.
