THE HERALD

WEDNESDAY, JULY 31, 1895. PUBLISHED EVERY WEDNESDAY SUBSCRIPTION-\$1.00 A YEAR, JAMES McISAAC,

Editor & Proprietor.

THE income tax feature of the Wilson tariff bill has not been a great financial success. treasury has collected \$77,000 and at a cost of \$88,000.

THE bye election for the Prodistrict of Prince County, on Thursday last, resulted in the re-

should, what it said regarding the position in the west. This is its

The total election returns in Great Britain, with four constituencies to hear from, show the following results: Conservatives of the minority under the circum336; Unionists, 72; Liberals, 175;
McCarthvites, 68; Parnellites, 121. McCarthyites, 68; Parnellites, 121. McCarthyites, 68; Parnellites, 121.
These figures give the Conservatives a majority of 9 over all others, and together with the Unionists, a majority of 153. It is quite plain, therefore, that Salisquite plain, therefore, the salignment of the Salisquite plain plain the salignment of the Salisquite plain, therefore, the salignment of the Salisquite plain plain plain the salignment of the Salisquite plain bury will have a free hand in the there is a certain amount of should have their sight examined at in-coming parliament.

private deposits in the Bank of England, in which it says: This public man to be frank and truthindicates that the money for- ful? merly put into foreign investments has been kept in hand. Good authorities estimate that up to 1893 English capitalists were accustomed to invest £30,000,000

have privad on the flocks and herds, and herds, and have kept them tailmed out, but the victims are Based. The names of according to free trade ideas, just at the victims are Based. The family resided near the ghore of Lake Dauphin. Where they have a claim which was to have noticed this peculiar characteristic, and after their usual characteristic characteristic

ment. In this connection, it may not be out of place to state that there are five classes of peerages—those of the United Kingdom, Great Britain, England, Scotland and Ireland. Those of England, Great Britain and the United Kingdom confer hereditary seats in the House of Lords. The Scot.

North-West Ranching

which it was spent. It has stopped the whole group and they sank out of sight. There was but one girl the other four being boys. The neighbors on hearing of the sad event, collected and have been working night and day to try and recover the bodies. The water is quite deep where the accident occurred, and up to the present but one body, that of a boy, has been recovered. in the House of Lords. The Scottish peerage is represented in the elected by their associates at the beginning of every parliament and "You will be pleased to hear that followrepresented by twenty-eight members, who are elected for life. Many of those who hold permanent seats in the Lords, are members of more than one peerage. They may have been born in the Scottish or Irish peerage, or both; is the killing of 1,600 wolves during the at the same time they are peers of the United Kingdom, and it is in North-West Territorial Government the Irish peerage have a great wolves would have driven the stock-and exclusive advantage, They raisers out of the business and country

House of Commons, as well as to and Ironsides have bought nearly all Celebration at Rogersville, N. B the House of Lords, unless they the exportable cattle amounting may hold a peerage of the United Kingdom. Thus Lord Palmerston, though a peer of Ireland, sat in the House of Commons, and was its leader for many years.

tion at the same time is generally considered to be a feat somewhat lifficult of accomplishment. Yet The this is the position Mn Laurier seems to occupy, on the Manitoba School question, if we are to be lieve the Liberal journals in Quebec and Winnipeg. L'Electeur vincial legislature in the third Mr. Laurier's principal mouthpiece in Quebec says: "Mr. Lau rier has pronounced himself turn of Mr. Gallant, by a majority boldly for the re-establishment of of 227 votes. The total vote the separate schools in Manitoba polled was very much smaller and has vigorously reproached than that at the general election the Government for not having interfered more promptly." That

is one side; now listen to what THE Patriot insiduates that we did not read as carefully as we speaks for the Leader of the Op-We declaration : "Although not stated the broad principle of provincial rights, and decline to interfere with this province beyond mak ing a request for what he might

On Friday last, the London Times had a leader commenting upon the enormous increase of private deposits in the Bank of England in which it says: This public man to be frank and truth-
