

WHY ?

Why suffer with that distressing headache when properly fitted Glasses may cure you? If you come to us we will tell if Glasses will help you or not. It costs nothing to find out.

Do your eyes tire easily?
Do they smart?
Do you have to rub them after reading a while?
Are you obliged to hold things further away in order to see distinctly?
If you observe any of these symptoms it is a sign your eyes are defective. We can give you Glasses to overcome the error.

SATISFACTION GUARANTEED.
