The Champion Won

A few days ago one of the leading residents of Northern Bight, Trinity Bay, walked into Franklin's and bought a FRASER ENGINE, he had examined all the different makes in town including Dr. Cook's. He said the FRASER has less rods and fittings about it to get out of order than other makes, it certainly is easily understood, it looks good and strong, and from what Capt. Dan Green, who used ONE on the Labrador the past summer tells me it is the best Engine made for fishermen. This is why I am buying a FRASER. The Champion won, and Dr. Cook was down and out, the right

Cook vs. Peary.

The extravagant claims made by rival engines agents remind one of old Doc Cook's assertions: "That he discovered the North Pole assisted by a handful of gum drops."

Poor "Doc" Cook is forgotten now, while Peary is remembered as the conueror of the North. FAIRBANKS is the Peary of Motor Engines. Its rivals are the Doc.
