George Carpentier.

Red McGhee says:

In Uncle Sam's bunch o' states the sportin' public's loves an' hates. Keep changin' all the time. To-day we praise an' cheer a man — to-morrow he goes on the pan, a boob, a quince, a lime. We make o' u r heroes over night. A pug'll cop some great big fight an' right away he's RT. We worship at his shrine until some fighter clouts him on the bill. De we stick by him?—Nitt!

We're for 'em while they win — that's all. In boxin', wrestlin' or baseball, lose once an' it's Good Night. That's why I think it kind o' queer that this guy Georges Carpentier has France sewed up so tight. He's been knocked out by Joe Jeannette an' Klaus an' Papke, too, an' yet he gets by anyhow. Imagine some Yank gettin' beat three times. No chance. Just one defeat sends him back to the plow.

Bean Brummel of the boulevard, he calls the president his pard an' rules society. He's shown three times that he can't box but he goes back an' gets the rocks—the coin, the of speech. I can't see how he pulls the trick but Georges manages to stick as France's greatest champ. If he was over here you bet, the only spotlight he'd get would be an ol' barn lamp.

Any Headache Cured, Tired Systems Re-Toned.

When You're Dull, Tired, Restless Day and Night Something is Wrong in the Stomach.

A Prominent Publishing Man Says the Quickest Cure is Dr. Hamilton's Pills.

Headaches never come to those who use Dr. Hamilton's Pills, and this fact is vouched for by the Assistant Manager of the Poultry Success Magazine, of Springfield, O., Mr. J. H. Callender, who writes: "No better medicine than Dr. Hamilton's Pills. We use them regularly and know of marvelous cures that resisted everything else. They cleanse the whole system, act as a tonic on the blood, enliven digestion, help the stomach, and make you feel strong and well. For headaches, indigestion and stomach disorders I am confident that the one prescription is Dr. Hamilton's Pills."

Being composed of natural vegetable remedies, Dr. Hamilton's Pills possess great power, yet they are harmless. They aid all organs connected with the stomach, liver, and bowels. In consequence, food is properly digested, the blood is pure and nourishing, the body is kept strong and resists disease, all druggists and storekeepers sell Dr. Hamilton's Pills. 25c. per box, 5 for \$1.00 or by mail from the Catarthozone Co., Buffalo, N.Y., and Kingston, Canada.

Lemonade.

It is a helpful, soothing drink, when flies are bad and days are hot, and whether it is white or pink it always seems to hit the spot. I drink it with the lovely d a m e s where drugstore clerks take in the kale. I drink it in the baseball games, at home I sip it by the pail. Of all soft drinks it is the best, as every learned physician knows: it always soothes my savage breast, and gives my warlike soul repose. It takes the fungus from my tongue, and kills the toadstools in my throat; and I feel brave and gay and young, when all my innards are afloat; when they're afloat in lemonade, my head is clear, my nerve is strong; I face my duties unafraid, and put up bay the whole day long. And when the cool, gray morning breaks, I do not see, beside my bed, a bunch of hydra-headed snakes with pea-green antlers on each head. I rise refreshed, so full of vim, and of aggressive strength, so full, that when I've sung my morning hymn, I go-out dogs and whip a bull.

Several vessels from the northward, that have been detained by ice in the vicinity of Fogo, are expected to arrive during the next few days. They are all bound here for supplies for the fishery, which will be somewhat later than last year, because of the ice blockade. Two vessels, bound northward for the fishery passed Fogo yesterday, and it is expected that yesterday's off shore wind freed the coast from the ice that delayed the craft bound inward.
