The Eastern Trust Company.

A few reasons why an estate can be better administered by the Eastern Trust Company than by a personal executor or administrator:—

1. The Company affords the estate absolute security; it has a paid-up capital of \$931,000.00, and a reserve fund of \$223,300.00.
2. It has a long experience in the work of administering estates; it is incorporated for this business of acting as a trustee, and, unlike many other trust companies, it does no other business.
3. Its existence is perpetual. Your estate, in the event of the death of a personal executor or administrator, must look around for a substitute, and the work of administration is impeded during that time, and the new executor is unfamiliar with the policy of his predecessor, and confusion results. This company's existence is perpetual, and there is a continuity of policy in its administration that the death of its officers does not break.
4. It possesses the confidence of governments, universities and prominent charities and administers their funds.
5. A number of other advantages which will appear in due course.

Four Typewriter Bargains!

YOUR FAVOURITE TYPEWRITING MACHINE AT ABOUT HALF PRICE.

We can now give you a \$100.00 Remington for \$50.00, a \$120.00 Oliver for \$60.00, a \$150.00 Underwood for \$75.00, and the New Model American Typewriter at \$45.00; and every machine carries with it our personal guarantee.

We have already saved twenty-four purchases of Typewriters an aggregate total of \$1,200. If you have an old Machine whose poor work is helping to spoil the reputation of your business, lay it aside and buy one of these. You will find it more profitable to buy a Remington, an Oliver or an Underwood at our price than to have your old machine repaired.

Again, if you have hitherto felt your business could not afford \$100.00 to \$150.00 for a Typewriting Machine, now is your chance to get as good a machine as money can buy, for half the price usually charged.

We will be glad to give the names of those who have already purchased Machines from us; most of them are here in the city, and you can easily verify all that we claim.

We are Headquarters for Typewriters, Typewriter Ribbons, Typewriter Papers, Typewriter Carbons, Typewriter Supplies, Filing Cabinets and Adding Machines.

Evening Gowns at Reduced Prices!

While many of the larger social functions are—on account of the war—conspicuous by their absence this season, there are never-the-less many smaller affairs which take place where a really smart gown is not only admissible, but really necessary.

¶ We are offering a limited number only of Evening and At-home Gowns and Blouses, in combinations of Silk and Net, Satin and Lace, Charmeuse, Ninon, Voile, etc.—in very beautiful designs and in different sizes. These Gowns and Blouses are copies of French and American models, and, owing to the depression in trade, are to be sold at heavy reductions.

¶ This week presents an excellent chance for you to purchase a dainty Evening Gown for the coming Easter festivities at actual cost.
