Matters of Interest in Arthur.

To the Editor of The Mercury.

SIR,—Would you kindly allow me the use of your columns to draw the attention of parties interested to the following subjects :—

SIDEWALKS.—There is not perhaps in the Province of Ontario a village of the size and pretensions of this place so disgraced by what are intended for sidewalks. At the present moment you cannot walk a hundred yards without meeting either with an obstruction, or what one would suppose certain members of the Council intended for a trap. It is too bad that people's lives, or bones, should merit so little consideration.

SAWLOGS.—No less than three streets are at present almost blockaded with this incumberance. I would ask the authorities whether streets are intended for the public or for private individuals. The question must soon be decided.

HOTELS.—No less than seven are in full blast, and two more in course of erection, besides a couple of side-shows, where a friend can wet his whistle at almost any hour, if he says nothing about it. A well kept, orderly hotel, is perhaps one of the best institutions in the country, and we have a fair share of the class in this place, but we would feel much better pleased if some of those good landlords appropriated less of the sidewalks and streets to their private use, by allowing their guests a sitting room within doors, and by providing stable accommodation for their visitors' horses, and a small place in the rear of their premises for their old waggons, sleighs, old stages, and all the truck of the country.

DIAMOND CUT DIAMOND.—Dr. Herrick, an itinerant physician, lately visited this place, and announced readiness to receive the afflicted at Green's Hotel, on the "no cure, no pay" system, but our two worthy disciples of Esculapius took exception to the benevolence of the good Samaritan, pronounced him a quack, and summoned him to appear before one of our learned J. P's., who, after hearing the evidence, was about to commit the offender, when a telegram arrived from Toronto asking him for his authority. The result was Dr. Herrick was not committed. M.

Puslinch Council.

The Council met at the Town Hall, Aberfoyle, on Wednesday, May 6th, at 10 o'clock a. m. as a Court of Revision, and at two o'clock p. m. for general business. Members all present, the Reeve in the chair. After some routine business, the Council resolved to adjourn the court until the next meeting of Council, on the first Monday of June. At 2 o'clock the Council resumed for general business. On motion of Mr. Nicoll, seconded by Mr. Caulfield, Messrs. James Clerk and Angus McKellar, sr., were added to the list of pathmasters. Mr. Jas. Fowler was appointed in place of Mr. Duncan Mackenzie, and Mr. John Hogg in place of William Gilfillan. The petition of W. F. Evans and others was referred to the Road Committee for that section. On motion of Mr. Caulfield, seconded by Mr. Smith, the Reeve gave an order on the Treasurer for $28 to Jas. McEdwards for supporting Annie Patton, an aged indigent person, to the first of May, 1874. The Council granted a certificate under the corporate hand and seal to Alex. Parks, to obtain a licence to keep a house of public entertainment in the municipality. On motion of Mr. Chas. G. Cockburn, seconded by Mr. Smith, the sum of one dollar erroneously charged for a dog was refunded to Thos. Douglass. On motion duly made and seconded, the Reeve issued orders on the Treasurer to the following parties severally for their account, viz. : to Mr. Thos. Lynch, Guelph, for attending the hearing at the Police Court suit of Jackson vs. Beuic, for breach of Liquor Act, $1 ; to Messrs. Innes & Davidson, Guelph, for printing and publishing Credit Valley Railway By-law, $52 ; to Mr. Malcolm McBeath, account of Jas. Hazelton, Guelph, for chairs for Hall, $6.75, and for cutting firewood and repairs to Hall, $6, and to James McLean for the expense of polling the vote on the Credit Valley By-law, $5. On motion of Mr. Smith, seconded by Mr. Caulfield, the tender of Mr. John Marshall $50 for timber on side line between lots 20 and 21, 1st con., was accepted, Mr. Marshall to pay the purchase money to the Municipal Treasurer forthwith. Moved by Mr. Smith, seconded by Mr. Caulfield, that offers be received by Town Clerk until next meeting of Council for the pasturage on Town Hall grounds to November next. On motion of Mr. Cockburn, seconded by Mr. Smith, the Reeve issued his order on the Treasurer for $28, in favor of John Stewart for supporting Collin Chisholm, an aged indigent person to May 1st, 1874. Council adjourned to Monday, June 1st, then to meet at 10 o'clock a.m., to give pathmasters their instructions.

JAMES MCLEAN, Clerk.

Miss Rye's Children.

Referring to some complaints that have reached England, in regard to the treatment of Miss Rye's children in this country, the *Canadian News* has the following :—

"The *Civil Service Review* hears that 'some startling disclosures will soon be made public respecting the emigration of pauper children to Canada, which has of late years been rather extensively carried on under the auspices of a well known lady. For some months past disquieting reports have reached us from America of the ill-treatment of some of the children engaged by Canadians. Some go so far as to assert that the treatment is so bad that it practically reduces the children to slavery ; and that the action of the Legislature will have to be taken to prevent what will otherwise soon become a disgrace to the British Empire.' Allusion is here made, of course, to the labors of Miss Rye, and we beg to give to the whole statement, and to every part of it, and that on the highest authority, a distinct and unqualified denial."

The name of the Rev. Mr. Marling, of Toronto, has been suggested to the complainant against Miss Rye as a proper person to make an investigation into the charges in Canada.

THE Druggists have just received a supply of Dr. Wheeler's Celebrated Chemical Food and Nutritive Tonic, the Compound Elixir of Phosphates and Calisaya. This preparation has been in use in private practice for fifteen years, and is confidently recommended to the public as the most elegant and reliable tonic in use for building up constitutions that have for a long time been suffering from Chronic Wasting Diseases, depending upon poor blood. It perfects nutrition by aiding the digestion and assimilation of food, and thereby building up and vitalizing all the organs and tissues of the body. In diseases peculiar to women, and in delicate children, it supplies a want long felt by the physician, of a safe and agreeable remedy that may be taken for a protracted period without any possibility of injury, or of becoming repugnant to the patient. Sold at $1.

Specific Medicine

Cures all Nervous Diseases, such as Tremors, Debility, Prostration, etc., which, in many cases, are produced by over indulgence in the use of tobacco and alcoholic spirits ; but the Specific Medicine is more especially recommended as an unfailing cure for Seminal Weakness, Spermatorrhea, Impotency, and all diseases that follow as a sequence of Self Abuse, as Loss of Memory, Universal Lassitude, Pain in the Back, Dimness of Vision, Premature Old Age, and many other Diseases that lead to insanity or consumption, and a Premature Grave, all of which, as a rule, are first caused by deviating from the path of nature and over indulgence.

The Specific Medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to every one.

The Specific Medicine is sold by all Druggists at $1 per package, or six packages for $5, or will be sent by mail on receipt of the money, by addressing
