GUELPH, Aug. 20th, 1874.

## To the Inhabitants of Guelph and County of Wellington, and others.

I take this method of letting you know that on Monday, 14th September, prox., I will open my New Store, Upper Wyndham St., Guelph, when I will submit for the inspection of the general public the contents of over 1,800 cases and bales of Fancy and Staple Dry Goods, bought by myself personally in the best producing markets of Great Britain and United States. The variety of styles and fabrics in each department that will be open for inspection at my New Store on and after 14th September, will be such as cannot fail to meet with the good taste and full approbation of an appreciating public. From my long experience in the mercantile business (over thirty-seven years), twenty years of which have been spent in the town of Guelph. I feel satisfied you have fresh in your memories the *year* that I commenced in this town against high prices, and fought for your interests daily, with a vigour that crowned my efforts with success. I am persuaded that again my presence is required by the great mass of the people of the County of Wellington in order to regulate the trade of the Town of Guelph, in Fancy and Staple Dry Goods, and it is with pleasure that I now announce to my old friends and patrons, that it will afford me unbounded pleasure to renew with them the happy moments that we have had together for the mutual benefit of each other; and I can pledge my faith that I will devote my best energies and abilities to guard the rights and interests of all those that may favour me with their patronage. At all times the public may depend upon having the best of attention in my New Store, that nothing but sound, good and honest goods will be kept for sale by me; that in opening out a business for the public, that all and every article will be *entirely new*; that in every instance goods will be offered at such reduced prices as will at once satisfy every one; that my new establishment is going to be conducted on the same principles as that of my old, viz., the best goods at the lowest possible prices, quick sales, small profits, and ready pay. A special discount will be offered to Ministers of the Gospel.

I enumerate some of the departments that I will stake my whole reputation on, and I do most confidently ask intending purchasers to call and examine my stock, when I am sure the highest satisfaction must be expressed. Black and coloured dress silks at fully 20 per cent. under ordinary prices. Do not fail to call and examine the quality and prices.

### FANCY DRESS GOODS.

This department is full to overflowing, and in it will be seen the newest novelties, designs and fabrics produced. The prices will surprise the purchasers, as cheap prices, rich styles, and good goods are combined in this department. Every lady who wants to appear in the fashion of the day will be fully suited.

### MANTLES, JACKETS, AND POLONNAISES.

Special attention of the ladies is requested to this department. Everything that the ingenuity and skill of mankind could bring to bear, with good taste is here represented. The novelties on exhibition in this branch of my business will surely be appreciated. An early call, specially in this line, will abundantly repay her intending purchaser.

### SHAWLS.

This department will present an inviting appearance, and well worthy of a visit from ladies who favour the comfort that is imparted by a good shawl to its wearer. Cloaks are almost entirely worn for this season, and occupy the first rank in the wardrobe of Her Royal Highness the Princess of Wales, and our noble and most Gracious Queen affectionately admires not only the brilliancy, richness and designs of this elegant part of a lady's costume, but loves the country and the people who produce them.

French Merinos, Thibet Cloths, Paramatta Cloths, Serges, Black Lustres, Tweed Dress Material for Costumes, and the various makes of Fall and Winter Plain Dress Goods

Are in large abundance, and present to the purchaser so fresh and new an appearance, and at the same time so reasonable in price that confidence will at once be placed in the goods, with the highest satisfaction to the purchaser. All new and fresh goods.

### FAMILY MOURNING GOODS.

I have specially attended to the selection of the various kinds of goods required in this department, and I can confidently say to those requiring to purchase mournings, that at my New Store everything in that line will be found, and at a great reduction from the ordinary prices charged. I have the best Black Crapes to be found in the Dominion.

### HOUSE FURNISHINGS.

I have a most complete stock of everything that can reasonably be asked for in order to make a home comfortable, and I will guarantee that parties desirous of furnishing a home will find that I will offer an inducement of fully 15 per cent. to them, and in addition they will get nothing but new, fresh, good and desirable goods. "No time for the moths to get about them." A CALL IS REQUESTED TO THIS DEPARTMENT.

### STAPLE DEPARTMENT.

Here will be presented to the view of the visitor to my store the largest stock of heavy Staple Dry Goods to be found in Ontario. During the panic in the United States I bought, direct from the producers, immense quantities of 36 in. Grey Cottons (the best goods to be found in Canada), Bed Tickings, various qualities, Blue and Brown Denims, Cotton Grain Bags, Cotton Batting and Waddings, Quaker Flannels, &c., and at panic prices. Indeed the Farmer, Mechanic, the Lawyer, Doctor, Labourer, or any other individual can at my New Store procure anything in Staple or Fancy Dry Goods that is made, and all new, fresh, seasonable and good. "No old shop keepers' to palm off." Quite a saving can be effected by buying at my New Store. Quick sales and small profits is the motto of John Hogg.

### CLOTHS AND TWEEDS.

This is a most notable department in my store. I have bought the finest lot of Canadian Tweeds, and from the best producer in the Dominion. I bought at the bottom prices, and I will give my patrons the benefit. Call and see. I will satisfy you that you are saving money through me.

### READY-MADE CLOTHING.

In this department I deem it but fair to the community to say that it is high time that a check be put upon the ridiculous high prices that they have lately been paying for ready made clothing, and poor stuff at that. I have had made specially for my own trade and to my own order, the most attractive and stylish lot of Men's and Boys' Overcoats, Men's and Boys' Pea Jackets, Men's and Boys' Suits of all the various classes of desirable and durable goods made for the Fall and Winter Trade. I will give an excellent suit of Coat, Vest and Pants, equal in cut and make to any that can be cut and made by the best cutter in Guelph for \$12 and up. Call and see, 25 per cent. saved to the purchaser by calling at my new store. All new goods and fresh goods. No old stuff.

Carpets, Blankets, Sheetings, Quilts, Counterpanes, Towels, Damasks, Repps.

This Department requires more real knowledge and taste to be bestowed upon it probably than any other Department in the Drapery business. I can confidently solicit from the public a call in order merely to be enabled to endorse my statements regarding the excellency of the goods here to be seen. My Carpets, questionably the finest selection in Ontario. The patterns, colours, and designs, are exquisite. Indeed, my Kidderminster Carpets are equally as rich in design and colour as Brussels or Tapestry to be found, and in order to be fully able to have my taste suited, I spent considerable time in going from one manufacturer to another, but I persevere, my object in securing the finest selection of Carpets to be desired. My prices will be extremely cheap. The goods all new, fresh and good, and such as I am proud to have. The other goods—Blankets, Sheetings, Quilts, Counterpanes, Towels, Damaska, Repps, Lace Curtains, Blinds, Window Hollands, &c., &c. Markets offer, and as you know are all new, fresh, and the latest productions. Quite a saving will be effected by buying at my New Store. To enumerate would occupy too much space, also too much of your valuable time. Suffice it to say that in every denomination of Fancy and Staple Dry Goods my New Store would be well repaid in the advantages that it would offer. No pains or trouble will be spared to meet the wishes of my patrons, and the visitor to my Establishment will be well repaid in the advantages that it would offer, by not only having an opportunity of procuring the newest goods, the latest styles; but the best goods offered in Ontario, and at the lowest possible prices.

Yours truly,

JOHN HOGG

... crop of  
... and massacres on the  
American side is altogether unknown on  
the Canadian. An occurrence which the  
Montreal Gazette relates in a recent num-  
ber furnishes a new illustration on this  
point, and tells more of the result of good  
treatment on the character of the aborig-  
nes than all the novels ever written by  
Fenimore Cooper. Lieutenant Colonel  
Powell, in the course of his duties, had  
lately to make a tour through a portion  
of British Columbia, and it is stated in  
the report, his reception by the Indians  
with whom he had to transact business,  
that it rather resembled the triumphal  
march of a conqueror than the official  
tour of an Indian commissioner. He  
was escorted several miles on his way by  
a guard of honor composed of three  
hundred Indian braves on horseback.  
Everywhere the Dominion commissioner  
seems to have been well received, and  
everywhere the results of his visit appear  
to have been satisfactory, the chiefs ex-  
pressing the best feeling toward the  
Government of Canada and toward their  
white neighbors, and delight in feeling  
they were not forgotten. "What," asks  
the Gazette, "would not the Washing-  
ton Government give if one of their com-  
missioners were accorded such a wel-  
come?"

#### Live Stock Importations.

The Montreal Witness says:  
Messrs. S. Beattie and W. M. Miller,  
of Markham, have brought over a num-  
ber of very fine cattle on board the SS. Pho-  
nician. Mr. Beattie had 15 head of  
Shorthorn cattle, inclusive of the first  
prize heifer at the Royal Agricultural  
Society's Show; a second prize cow at  
the Highland Agricultural Society's  
Show; besides a fourth prize heifer and a  
second prize heifer at the Royal Society's  
Exhibition. He also secured 3 Ayrshire  
cows; 4 Shetland ponies; 115 Cotswold  
sheep, two of them winning second and  
third prizes at the Royal Society's Show;  
3 Shropshire Downs; 5 stallions, and 3  
Clydesdale horses, one of the stallions  
being a very fine animal, weighing 2,375  
pounds, and measuring 8 feet 3 in. in  
girth. There also came for Hon. M. H.  
Cochrane, 18 Shropshire Down sheep, 2  
short horn cows, a yearling Ayrshire bull,  
and one yearling Clydesdale colt, to-  
gether with a short-horn bull calf, win-  
ner of the first prize at the Royal Agri-  
cultural Show. For Mr. W. M. Major, of  
Ontario, there came a Clydesdale filly; 3  
shors horn cows, and 10 Cotswold ewes.  
For Mr. B. Byron, Ont., two yearling  
Clydesdale fillies and one Clydesdale  
stallion; for Mr. T. Irving, of Logan's  
Farm, two Ayrshire heifers; for Mr. W.  
F. Kay, two Ayrshire heifers, an Ayr-  
shire bull, seven yearling Leicester ewes,  
and three Berkshire pigs, two of them  
having won second prizes at the Royal  
Show. Mr. Beattie conducted the pur-  
chases. The stock was well cared for on  
board ship and landed in good condition.

There has been an exceedingly large  
amount of flax in Peel and Maryborough  
and the neighboring townships this year,  
and the yield has been unusually large.  
Great quantities have been delivered to  
the mills at both Stirling and Arthur.

John Brydon, a boy employed in the  
office of the Galt Reporter, had his leg  
badly cut by being run over by the horse  
reel, which he was assisting to draw to  
the engine house after the practice of the  
Fire Brigade in that town on the evening  
of Wednesday, 2nd inst.
