ODR NEW CITY FATHERS.

when

THEY INAUGURATE THE BUSINESS OF THE YEAR YESTERDAY.

The Mayor's Able and Careful Address-The Tories Capture all the Offices of Emolumen and Honor-The Standing Committees.

The city council for 1882 took office a noon yesterday. The proceedings were at tended with the usual ceremony and there was a large gathering of spectators in the waterworks committees. The council then adjourned. chamber. Several ladies graced the occasion with their presence. There was quit profusion of broadcloth and white shirt front round the aldermanic board. the call of the mayor.

THE PERSONNEL OF THE COUNCIL. The mayor and members made the de claration of office and subscribed to the articles of qualification, the council being constituted as follows :

Mayor-W Barelay Mc Murrich. Aldermen-Wm Adamson, Wm Bell,

John Blevins, Geo Booth, A R Boxwell, J B Boustead, Wm Carlyle, H E Clarke, Thos Davies, D M Defoe, Thos Downey, Geo Evans, George M Evans, W W Farley, 'John Hallam, John Irwin, John Kent, Neil C Love, John Low, John Maughan, Peter Ryan, W B Scarth, Sheppard, John Taylor, SaTrees, John Turner, John Woods. board Owing to the recent affliction in his fam-

ily, Ald. Boustead was not present. THE MAYOR'S MESSAGE.

His worship was escorted to the chair by Ald. Love and Adamson, the senior members of the council. He was attired in a faultless suit of black and wore suities suit of black and wore white gloves and a glossy plug. In taking his seat the mayor made a lengthy address. He referred to his election by acclamation, which he considered the highest mark of considera-tion he had ever received from his native city, and which he trusted would act as a still greater incentive to him to prove faith-ful to the trust committed to his care. He

still greater incentive to him to prove faith-ful to the trust committed to his care. He referred to the fact that the year 1881, like referred to the fact that the year 1861, like its predecessor, had shown a surplus, and ascribed this result in a large measure to the consolidation act of 1881 suggested by Ald. Turner. Since the year 1878 there had been a very gradual reduction in the rate of taxation, and the council of 1881 had here also sufficient for reduce it to

had been able still further to reduce it to had been able still further to reduce it to ldh mills in the dollar. Speaking of the state of the streets he gave it as his opinion that the only true remedy lay in the construction of block or stone pavements. The subject of street cleaning also came in for attention. On the question of public parks, he said that a general feeling existed that the time had On the
