

AN eye-headache some times accompanied by an earache and burning sensations of the eyes is caused by an over effort of the brain to understand a blurred image that has been thrown on the retina of the eye. In the eye-camera the foci are changed by the eye muscles that swell and reduce the shape of the crystalline lens. When these muscles become weakened an optometrist must prescribe the outer-man-made lenses to bring about this focus accommodation.

Thousands are Going Home for Thanksgiving

Thanksgiving this year falling on Monday, November 10th, allows an unusually long week end, and permits travelling distances which would be impossible in a shorter period. Thousands are arranging to visit the home folks or out-of-town friends.

The Passenger Department of the Canadian National Railways are making special arrangements on all routes to provide the public with every travelling comfort. Nevertheless, as it is impossible to estimate the number who will be travelling, it would be wise for all those who anticipate taking advantages of this occasion to make their reservations as soon as possible.

For full in formation, apply Canadian National Ticket Agent.

GENEROUS GIFTS

The immense value offered by The Family Herald and Weekly Star of Montreal this season is meeting with the success the publishers deserve. Their large calendar for 1925 with the beautiful picture—"The Sale of Old Dobbin" is proving a very popular premium, while the Ten Thousand Dollar Election Contest is a record breaker. For those who raise clubs of new subscribers, there is a catalogue of some very handsome and useful rewards. The Family Herald is securing thousands upon thousands of new subscribers by their generous gifts, added to the super excellence of the paper itself; in fact few homes will be found without that great weekly when Two Dollars will secure so much.

PICTURE PUZZLE GAME

Elsewhere in to-day's issue will be found a large advertisement announcing a Picture Puzzle Game arranged by The Mail and Empire which will no doubt prove very interesting for our readers, and especially for the little folks. The Contest consists of ascertaining how many objects or articles in the picture start with the letter "B" and cash prizes are awarded to those finding the largest number. Our readers have already won liberal prizes as a result of completing in similar Contests, and there is no reason why some of the awards should not come to residents of this vicinity. Anyhow, there is nothing like trying.
