St. John's, Nild., January 26.—The worst snow-storm in twenty years was experienced the past four days, and some drifts in the street were ten feet high. Business is at a standstill, and the outlying settlements have not been reached for two or three days. The severity of the storm has aggravated the miseries of the destitute and hundreds of men are begging for labor or bread.

## Sailed for Havana.

Parties are plentiful this season. "Jack Frost" is certainly now king in this part of the world. There is some talk of a social being held bere for the benefit of the parsonage. We are to happy to state that our school is prospering under the care of our teacher, Miss Morehouse. Som beople from this place crossed the river on the ice last Saturday morning.
