A PERFECT MACHINE

Lancaster Cutter Cuts faster and with less power than any other.

"I have used the No. 11 Lancaster Cutter for some time and find it a Most Perfect Working Machine in every way. Cuts faster with less power than any other cutter I have seen working. I have cut one ton of ensilage in fifteen minutes with only two knives on and slow speed. The Safety Attachments work perfectly. A stone got into my machine and only made a small nick in one knife, not damaging the others in the least. DAVID A. GRANT, Cashier's Glen, Ont."
