What Theodore Roosevelt Says.

An article on "The Presidency," by Theodore Roosevelt, to be published in the November 6th issue of THE YOUTH'S COMPANION, will be of great public interest. When the article was written Mr. Roosevelt had not even been nominated for the Vice-Presidency.

Nothing was then further from his thought than that he would so soon exercise the great powers which are entrusted to the President of the United States.

In view of the circumstances the article possesses an importance more than ordinary, and it will be eagerly looked for. The number of THE YOUTH'S COMPANION containing it, and all the subsequent issues of 1902, will be sent free to new subscribers from the time their subscription of \$1.75 is received for the 1903 volume. The new subscriber will also receive THE COMPANION Calendar for 1903, lithographed in twelve colors and gold. Full illustrated Announcement of the new volume and sample copies of THE COMPANION will be sent to any address free.
