YES! I take the Poultry Monthly and consider it the best Magazine published, by a large majority. My fowls are now the best paying stock that I own. I have cleared over \$400 thus far, and business is just booming. I would advise every poultry keeper to subscribe for it without delay, as it is brim full of practical information.

NO! I did not subscribe for the Poultry Monthly, but intend to do so at once. I am told it is the best poultry journal published. I said I was too poor. My hens did not lay. They sickened and died. I had no poultry paper to tell me what to do, all because I wanted to save a dollar. I had to sell my place under mortgage. The "old woman" has gone back on me. My hair is getting thin, and the fact is I feel bad.

Special Offer For One Dollar

We want to place the MONTHLY in the hands of every one interested in poultry and pet stock, and will send the paper for the balance of this year free to all who subscribe now at \$1.00 for 1887 and mention the C. B. Journal.

Remember, the regular price of subscription is \$1.25 per annum, so do not fail to take advantage of this liberal offer.

THE POULTRY MONTHLY.

A GRAND COMBINATION OFFER

We have arranged with the publishers whereby we can offer to new subscribers to both papers the

BEE-KEEPERS' MAGAZINE

OF NEW YORK, AND THE

CANADIAN BEE JOURNAL

For the regular price of the

CANADIAN BEE JOURNAL.

The "Bee-Keeper's Magazine" is a 32-page monthly the price of which, in 1886, was \$1.00. The publishers however, have so reduced the price that we are enabled to make this offer. This will give bee-keepers the advantages of two big journals for the price of one.
