

TO

OWNERS OF Landed Estates

HOUSES, AND OTHER PROPERTIES.

The great demand at Mr. Naylor's Offices for Properties of all kinds, generally enables him speedily to provide Purchasers or Tenants, such as are entrusted to him for disposal on fair terms, and the gratuitous circulation of this Monthly Register considerably facilitates the ordinary means adopted for effecting the Sale or Letting of these, as well as of more distant Estates, whilst his connection with Auctioneers being very extensive, enables him to secure buyers for nearly every class of Investment at a marketable rate.

The various Properties are so described as to avoid identifying them, and thus affecting them injuriously by placing them too prominently before the public.

Mr. Naylor's Register of Purchasers contains the names of applicants for various descriptions of Property for Occupation; also of Auctioneers and Trustees, having moneys to invest in Landed Estates, and the Property, and Securities of every class. The Register devoted to Applicant-Tenants has particulars of the requirements of those requiring FURNISHED OR UNFURNISHED residences in Town and Country, Farms, Mills, Business Premises, &c. By availing themselves of this valuable and extensive connexion, Owners are frequently enabled to effect their object without the necessity of awaiting the insertion of particulars in the monthly Register, and this fact should be borne in mind in cases where expedition is of special importance.

Particulars of Property to be Sold or Let intended for insertion in the next month's Register should be received by the 4th of next month.

Forms containing instructions for supplying the necessary description with cards of Terms, will be forwarded on application.

The Commission is in all cases chargeable to the vendor, and payable to Mr. Naylor immediately on a Sale or Letting being effected, and will be incurred, whether or not the Treaty be conducted at the Estate offices.

Mr. Naylor's Terms for the Sale or Letting of Farms, Building Lots, and House Properties, also for the Valuation of Estates, Land, and Business. Fixtures, &c., may be had at his
