

Sparkles.

A REALLY good travelling companion—Perry Davis' Pain-Killer.

WHY was Adam's first day the longest? Because there was no Eve.

SICK Headache and Dyspepsia are quickly dispelled by Campbell's Cathartic Compound.

PLUMBERS are not supposed to come under the head of sculptors, but you often find them at work on a "bust."

COUGHS AND COLDS.—If everything has failed, try Allen's Lung Balsam and be cured.

IRATE student: Don't you ever sweep under the bed, I'd like to know? Calm "goody": I always do; I prefer it to a dustpan.

A LECTURER remarked that, "as a rule, hurrying is a sign of weakness, either of judgment or physique." Sometimes it is merely a sign that the lad is a little new in the messenger service.

LADY: Your clothes are very ragged. Can't I do some sewing for you? Tramp: Yes, madam, you may sew an overcoat on this button, if you please. It seems to feel the need of society.

WELL SPOKEN OF.—"I can recommend Hagyard's Yellow Oil very highly, it cured me of rheumatism in my fingers when I could not bend them." Ida Plank, Strathroy, Ont. A medicine for external and internal use in all painful complaints.

PHYSICIAN: Patrick, don't you know better than to have your pig-pen so close to the house? Patrick: An' phy shud Oi not, sor? It's unhealthy. Be away wid yer nonsense! Sure, the pig has never been sick a day in his loife.

COVERTOUSNESS in Disguise. The wonderful success of JAMES PYLE'S PEARLINE has given rise to a flood of imitations with an "ine" to their names, evidently to have them sound like Pearline. Enterprises of this sort are quite liable to be more selfish than beneficial.

A TEACHER in one of our grammar schools was giving her class a lesson on the art of putting words into sentences. The words selected, with their definitions, were "aquaduct, a conductor," and "effervesce, to work." One of the sentences handed in was, "My father is an aqueduct, and has to effervesce very hard."

ANOTHER ITEM.—Mrs. J. Thompson, of Elma, Ont., writes that she suffered from general weakness and was so reduced that at times she became almost unconscious. Three bottles of Burdock Blood Bitters completely cured her, and she now recommends B.B.B. to her friends and neighbours.

"YOUNG man," said the physician, impressively, "your symptoms indicate fatty degeneration of the heart." "I presume they do, doctor," replied the youth dejectedly, "I am engaged to a young woman who weighs 214 pounds."

PRIOR to a dissolution of partnership and removal from Toronto, Barker & Co., the Jewellers, in the V. M. C. A. building (411 Yonge Street), want to reduce their stock by \$1,000, before selling the remainder en bloc. Look at the marked prices in their window. Solid Gold Rings from \$1 up; Sterling silver brooches from 35 cents up; other goods at proportionate rates, which simply means selling off regardless of cost.

YOUNG Man: I cannot understand, sir, why you permit your daughter to sue me for breach of promise. You remember that you were bitterly opposed to our engagement because I wasn't good enough for her and would disgrace the family. Old Man: Young man, that was sentiment; this is business.

Scott's Emulsion of Pure

COD LIVER OIL WITH HYPOPHOSPHITES, For Children and Pulmonary Troubles.

Dr. W. S. Hoy, Point Pleasant, W. Va., says: "I have made a thorough test with Scott's Emulsion in Pulmonary Troubles and General Debility, and have been astonished at the good results; for children with Rickets or Marasmus it is unequalled."
