A MAN OF A THOUSAND.

A CONSUMPTIVE CURD.—When death was hourly expected, all remedies having failed, and Dr. H. James was experimenting with the many herbs of Calcutta, he accidentally made a preparation which cured his only child of Consumption. His child is now in this country, and enjoying the best of health. He has proved to the world that Consumption can be positively and permanently cured. The Doctor now gives this Recipe free, only asking that each remit two three cent stamps to pay expenses. This Herb also cures night-sweats, nausea at the stomach, and will break up a fresh cold in twenty-four hours. Address, CRADDOCK & CO., 1032 Race St., Philadelphia, naming this paper.

1879. AUTUMN. 1879.

Sterling Silver Spoons AND FORKS.

Silverware was formerly a luxury of the few, now it is enjoyed by the many. The immense increase in the production of Silver from the mines of the world, has so cheapened the price that it is used more extensively than ever before. The great improvements also made in the modes of working silver have brought it within the reach of persons of moderate means for table use. Solid Silver is one of the articles that can be successfully worked in Canada, as the cost of the material is considerable as compared with the labour, and the duty is saved on both. The Spoons and Forks now produced under our trade marks, for QUALITY and FINISH, are almost equal to anything made, the public can, therefore, purchase them with safety, and at the same time encourage national industry. The variety consists of TEA SPOONS, DESSERT SPOONS and FORKS, TABLE SPOONS & FORKS, BUTTER KNIVES, PICKLE FORKS, CHILDREN'S SETS, CHILD'S CUPS, PRIZE CUPS, and

PRESENTATION PLATE of all sorts. The fineness in all instances guaranteed. All articles stamped R. W. & Co. Sterling, or Canada Manufacturing Company Sterling Silver. To be had of all dealers.
