THE Synod of Toronto and Kingston met in Knox church, Galt, last Tuesday, at 7:30 p.m. The meeting of synod was preceded by a conference at which a number of valuable papers were read.

WOODLAND and BELL'S CORNERS, Presbytery of Niagara, have been found into a pastoral charge. Woodland to contribute \$300 and Bell's Corners \$350 and a manse per annum. Rev. P. Strallich, Holstein, has been appointed moderator of session.

On Sabbath, 25th April, Messrs. Edward McMillan, Andrew Allan and James Fleming were ordained to the office of Ruling Elder in the congregation of Kinross. There are now nine ruling elders in the session, all men of piety, intelligence and good sense.

THE New Knox church, Owen Sound, Rev. A. H. Scott, M.A., pastor, will be opened on the 9th of May. The services connected with the opening occasion will occupy three days, May 6th, 10th, and 16th. Principals Grant and Caven will be present on the 9th and 16th.

A VERY successful closing meeting for the season of the St. James' Square Presbyterian Church Young People's Association was held on Friday evening. Dr. James presiding. The following ladies and gentlemen took part:—Mrs. W. B. Rogers, Misses Howland Thompson, Florence Thompson, Bella Inglis and Janet Smith, Messrs. Douglas, Keith, Mercer, T. Gibson, and W. M. Douglas.

ABOUT forty members of Rev. A. H. Scott's bible class took possession of his residence on Murdoch street, on Thursday evening, 29th ult., while a public meeting was being held at which he was present. On his return the house was found to be filled. The occasion was the presentation to Mr. Scott of a valuable writing desk, and to Mrs. Scott of a handsome silver service.—Owen Sound Times.

THE semi-annual meeting of the General Executive Committee of the Sabbath School Association, of Canada, will be held in the Elm street Methodist church on Friday afternoon. A public meeting will be held in the evening. Mayor Howland will preside, and addresses will be delivered by Rev. John Potts, D.D., member of the International Lesson Committee (who has just returned from the session of that committee at Baltimore, Md.), Mr. S. H. Blake, Q.C., Vice-President of the Sabbath School Association, of Canada, and others. A question drawer will be provided. Questions deposited during the afternoon, or up to 8 o'clock, will be answered at the evening meeting.

THE closing public meeting of Knox church Young People's Association was held last Friday evening in the lecture room of the church, and was largely attended,—the pastor, Rev. H. M. Parsons, honorary president in the chair. The programme opened with an address by Mayor Howland. Solos were given by Miss Cashman, Messrs. Lye, Cringen, Impey, and Major, recitations by Miss Ewing and Mr. K. U. McPherson, B.A., and a reading by Miss Jennie E. Sinclair. Miss Maria McKay and Mr. Lye acted as accompanists. All the performers acquitted themselves in a very creditable manner, and a vote of thanks was unanimously passed to them on motion of Mr. R. S. Baird, seconded by Mr. Jas. Knowles, Jr. A collection was taken up amounting to over \$37.

THE congregation of Charles street Presbyterian church, Toronto, has published their annual report, from which we glean the following facts:—The membership has increased during the year 72, only 16 have severed connection, leaving a net increase of 56. Total membership, 283. The collections are: weekly offerings, \$245 23; cash collections, \$644 83; total, \$3101.06. For Missions, Missionary Association, \$578; Sabbath Schools, \$230; Cheerful Givers' Mission Band, \$108.06; Seed Sowers' Mission Band, \$36; total for missions, \$1041. Ladies' Aid, \$143.80, with \$300 for augmentation fund making a total of \$4,355.86. This must be very encouraging to the pastor, Rev. John Neil, B.A., during his first year's pastorate, and we are glad to learn that the prospects for the current year are very encouraging.

A PLEASING DUTY.

"I feel it my duty to say," writes John Horton, of Deser, P. Q. "that Burdock Blood Purifiers cured my wife of liver complaint, from which she had been a chronic sufferer. Her diarrhoea, painful symptoms soon gave way, and I can highly recommend the medicine to all suffering as she did."

A DOUBLE BENEFIT.

PROSPECTUS OF THE TORONTO & LORNE PARK SUMMER RESORT COMPANY (LIMITED). Capital, \$50,000, IN 2,500 SHARES OF \$20 EACH.

No Subscription for Stock will be considered binding, and no call will be made until \$50,000 is subscribed, when 50 per cent. will be payable.

OBJECT This Company is to be formed for the purpose of acquiring the property known as Lorne Park, and making it a first-class summer resort. The property consists of 75 acres of elevated woodland, and commands a splendid view of Lake Ontario. It is 14 miles from Toronto and 28 from Hamilton; it is equally accessible by rail or water, and is one of the best places in Ontario. The O.T.R. track runs within 500 yards of the Park, and there is a substantial wharf on the lake front of the grounds. There is also a hotel on the premises, with 12 good bedrooms, large dining, tea rooms and lunch rooms, kitchen and servants' apartments, bowling alley, ice-house, etc.; two open air pavilions for the accommodation of picnics and other gatherings.

It is proposed to lay out the Hotel for the accommodation of summer boarders, and run it on the European plan, so that persons occupying cottages or tents on the grounds need not have the trouble of cooking their own meals, but pay for what they eat. NO INTOXICATING LIQUOR of any kind will be allowed to be sold on the Property or on the Steamboats plying between the Park and the City. Power will be asked for in the charter to own, or charter, an engine and boiler for the steam engine, which will run to and from Toronto at regular hours daily through the season (Sundays excepted). A morning and evening train service will also be arranged. SHAREHOLDERS WILL BE ENTITLED TO TICKETS for themselves on the Steamers plying to the Park, at a reduction of thirty per cent. on the regular fare. It is proposed to lay out 100 building lots of 50x100 ft., which will be leased for a term of 99 years, with proper regulations as to style of building and occupancy. These lots to be put up at \$100 each; shareholders to have choice in order of their subscription. Subscribers to the extent of \$500 of stock will be entitled to a building lot free. Arrangements have been made for a supply of boats of all sizes, which will be supplied at cost, or rented at low rates to parties requiring them. A proper system of water supply, drainage and lighting will be arranged for, and everything done in order to make this charming spot the most attractive of any picnic ground or summer resort in the vicinity of Toronto. The site is now open, and plans of the grounds can be seen at my office.
