The Father Mathew Remedy

The Antidote to Alcohol found at Last!
A NEW DEPARTURE

The Father Mathew Remedy

Is a certain and speedy cure for Intemperance and destroys all appetite for alcoholic liquor. The day after a debauch, or any intemperance indulgence, a single teaspoonfull will remove all mental and physical depression.

It also cures every kind of FEVER, DYSPEPSIA, and TORPIDITY OF THE LIVER when they arise from other causes than Intemperance. It is their most powerful and wholesome tonic ever used.

When the disease is strong one bottle is enough; but the worst cases of delirium tremens do not require more than three bottles for a radical cure.

If you cannot get from your druggist the pamphlet on Alcohol its effect on the Human Body and Intemperance as a Disease, it will be sent free on writing to.
