I began the manufacture of comb foundation in 1883, and I am glad to say that I have not had the first complaint so far. Brood runs from 5½ to 6 ft. to the lb.: section about 11 feet; shall commence making, weather permitting, April 15th. Brood cut to almost any size; section foundation unless otherwise ordered is made in strips 3¼ x 11¼ and 3¼ x 15. I will make up wax for you, you paying all freight or express charges both ways. Brood 10 cents per lb; Section, 20 cents per lb. No circulars. Prices of foundation on application.
