

"That to effect this purpose, the Secretary be instructed to communicate with the various Provincial Councils, before their next meeting, asking that each Council discuss the question, and, if possible, appoint one or more delegates to a Dominion Committee, for the purpose of adjusting a suitable curriculum and carrying out the suggestions herein contained, and that such Committees be requested to forward their finding to each of the Provincial Councils and to the Secretary of this Association before the next annual meeting."

A Sub-Committee drew up a scheme, which was accepted by the Committee, and adopted.

The report on Interprovincial Registration was read by Dr. Roddick, and as it dealt with several important subjects, it was listened to with more than ordinary interest. It was as follows :—

"Your Committee beg leave to report that, having examined the present requirements of the Licensing Boards of the several Provinces, with a view to obtaining by mutual concession a uniform standard of matriculation, education and examination, would recommend the following :

"I. Matriculation—The schedule of subjects shall comprise : (1) English language, including grammar, composition and writing from dictation ; (2) arithmetic, including vulgar and decimal fractions and the extraction of the square root ; (3) algebra, to the end of the simple equations ; (4) geometry, Euclid, books 1, 2 and 3, with easy deductions ; (5) Latin grammar, translation from specified authors, or of easy passages ; (6) elementary mechanics of solids and fluids, comprising the elements of statics, dynamics, hydrostatics and elementary chemistry ; (7) history, England and Canada, with questions in modern geography ; (8) and any one of the three following subjects :—French, Greek and German, the requirements being the same as in Latin.

"Fifty per cent. of the marks in every subject shall be necessary for a pass, and 75 per cent. for honors.

"In lieu of the above will be accepted a degree in Arts of any university in Her Majesty's dominions, or from any college or university that may hereafter be recognized; but no matriculation in Arts in any university will be recognized.

"II. Professional Education—The curriculum of professional studies shall begin after the passing of the matriculation examination, and shall comprise a graded course in the regular branches of four yearly sessions of not less than eight months of actual attendance on lectures in each year, the subjects to be anatomy, physiology, chemistry, materia medica, therapeutics, practical anatomy, histology, practical chemistry, pharmacy, surgery and clinical surgery, medicine and clinical medicine, including diseases of eye, ear, throat and nose, and mental diseases, obstetrics, diseases of women
