TERMS ON WHICH YOU CAN COMPETE.

1. Any person sending one dollar will receive TATUHI for three months and will be allowed six guesses or estimates on any six of the above cities or provinces or on the Dominion.

2. Any person sending \$5 will receive TATUHI for fifteen months (or if preferred, the paper will be sent to five addresses for three months each) and will be allowed one estimate on each city and province in the list, as well as a on the Dominion; or thirty-five different estimates on any one city, or province, or on the Dominion.

3. Any person sending two dollars will receive two numbers of TATUHI, as a trial, and will be allowed one guess or estimate on the population of any one of the cities, provinces or Dominion in the above list.

Should any guess or estimate of any city or province or of the Dominion be the exact number of the population, or the nearest to that number, the first cash prize opposite the name of the city or province or the Dominion will be given to the guesser. The person who comes next nearest will receive the second prize, the third nearest the next, and so on till all the prizes are distributed. If there is more than one correct guess or estimate of the population of each city, province or the Dominion, the prizes will be awarded in the order the letters arrive at FRUIT OFFICE. That is, first come first served. So don't delay sending in your estimate.

These prize offers will be withdrawn and the competition closed in ample time to prevent any government official from sending in who might be in a position to know the exact figures before they are given to Parliament.

No one knows how what the population will be, therefore, you have as good an opportunity as any to strike the nearest figures. Even the government census enumerator himself knows no more than you do.

The Publisher of TRUTH doesn't decide who the winners are, the official figures of the government of Canada will settle the matter, and the prizes will be paid over at once on the official announcement being made in Parliament. Full results will be published in TRUTH the moment the actual official figures are known. The Publisher of TRUTH has acquired all copyrights of these Census Competitions, and will prosecute all infringements.
