HEALTH WHERE TISSOUGHT
HOLLOWAY'S PILLS.

Cure of a Case of Weakness and Debility, of Four Years' Standing.
Extract of a Letter from Mr. Smith, of No. 5 Little Thomas
Street, Gidern Street, Lambeth, dated Dec. 13, 1850.

To Professor HOLLOWAY.—
Sir,—I beg to inform you that for nearly five years I
hardly knew what it was to have a day's health, suffering
from extreme weakness and debility with constant nervous
headaches, giddiness and sickness of the stomach, together
with a great depression of spirits. I used to think that
nothing could benefit me, as I had been to many medical
men, some of who after doing all that was within their
power, informed me that they considered that I had some
spinal complaint beyond the reach of cure, together with
a very disordered state of the stomach and liver, making
my case so complicated that nothing could be done for me.
One day, being unusually ill and in a dejected state, I saw
your Pills advertised, and resolved to give them a trial,
more perhaps from curiosity than a hope of being cured,
however. I soon found myself better by taking them, and
so I persevered in their use for six months, when I am
happy to say they effected a perfect cure.

[Signed] WILLIAM SMITH.
These celebrated Pills are wonderfully efficacious
in the following complaints.

AYER'S CHERRY PECTORAL.

For the Cure of Coughs, Colds, Hoarseness, Bronchitis,
Whooping-Cough, Croup, Asthma, and Consumption.

In offering to the community this justly celebrated
remedy for diseases of the throat and lungs, it is not our
wish to trifle with the lives or health of the afflicted, but
frankly to lay before them the opinions of distinguished
men and some of the evidences of its success, from which
they can judge for themselves. We sincerely pledge our-
selves to make no wild assertions or false statements of its
efficacy, nor will we hold out any hope to suffering huma-
nity which facts will not warrant.

Many proofs are here given, and we solicit an inquiry
from the public into all we publish, feeling assured they
will find them perfectly reliable, and the medicine worthy
their best confidence and patronage.

From the distinguished Professor of Chemistry and
 Materia Medica, Bowdoin College.

Dear Sir: I delayed answering the receipt of your pre-
paration, until I had an opportunity of witnessing its ef-
fects in my own family, or in the families of my friends.

This I have now done with a high degree of satisfaction,
in cases of both adults and children.

I have found it, as its ingredients show, a powerful
remedy for colds, and coughs, and pulmonary diseases.

PARKER CLEVELAND, M.D.
Baltimore, Md., Feb. 5, 1847.

LOWELL, Aug. 10, 1849.
Dr. J. C. Ayer: I have been cured of the worst cough
ever had in my life, by your "CHERRY PECTORAL," and
never fall, when I have an opportunity, of recommending
it to others.

Yours respectfully,
S. D. EMBERTON.

Read the following, and see if this medicine is worth
a trial. This patient had become very feeble, and the effec-
tiveness of the medicine was unmistakably distinct.

UNITED STATES HOTEL, SARATOGA SPRINGS,
July 6, 1849.

Dr. J. C. Ayer.—Sir: I have been afflicted with a pain-
ful affection of the lungs, and all the symptoms of settled
consumption, for more than a year. I could find no medi-
cine that would reach my case, until I commenced the use
of your "CHERRY PECTORAL," which gave me gradual
relief, and I have been steadily gaining my strength till my
health is well nigh restored.

While using your medicine, I had the gratification of
curing with it my reverend friend, Mr. Truman, of Sumpter
District, who had been suspended from his parochial duties
by a severe attack of bronchitis.

I have the pleasure in certifying these facts to you,
And am, sir, yours respectfully,
J. F. CALHOUN, of S. Carolina.
CINCINNATI, Pa., Aug. 22, 1846.

J. C. Ayer.—Sir: I was taken with a terrible cough
brought on by a cold, in the beginning of last February,
and was confined to my bed more than two months.
Coughing incessantly night and day, I became ghastly and
pale, my eyes were sunken and glassy, and my breath very
short. Indeed, I was rapidly falling, and in such distress
for breath, that but little hope of my recovery could be
entertained. While in this situation, a friend of mine, (the
Rev. John Leller, of the Methodist church) brought me a
bottle of your CHERRY PECTORAL, which I tried more to
gratify him, than from any expectation of obtaining relief.
Its good effect induced me to continue its use, and I soon
found my health much improved. Now in three months'
I am well and strong, and can attribute my cure only to
your great medicine.

With the deepest gratitude, yours,
JAMES GODFREY.
