

BENGER'S FOOD

FOR
INFANTS,
INVALIDS AND
THE AGED.

Wherever there is a case of enfeebled digestion, whether from advancing age, illness, or general debility, there is a case for Benger's Food.

When the stomach becomes weakened, the digestion of ordinary food becomes only partial, and at times is painful, little of the food is assimilated, and the body is consequently insufficiently nourished. This is where Benger's Food helps. It contains in itself the natural digestive principles, and is quite different from any other food obtainable. All doctors know and approve of its composition, and prescribe it freely.

The *British Medical Journal* says: "Benger's Food has, by its excellence, established a reputation of its own"

BENGER'S NEW BOOKLET deals with the most common doubts and difficulties which mothers have to encounter. It is sent post free on application to Benger's Food, Ltd., Otter Works, Manchester, Eng.

Benger's Food is sold in tins by Druggists, etc., everywhere.
