ORDINATION

Great Sermon by the Archbishop.

Messrs. Derome and Poulin were ordained priests last Sunday at the Cathedral of St. Boniface. The ordination mass was at 10 o clock. His Grace the Archbishop preached a wonderfully complete, beautiful and touching sermon on "Ecclesiastical Vocations." Beginning by a simple description of the great act he was about to perform, he went on to speak of the excellence of a vocation to the priesthood, of the danger they ran who dared to aim at this high life without being called thereto, of the woe that awaited those who turned away from the divine call, and of the many wondrous ways in which candidates were led step by step to the service of the altar. The entire sermon was a marvel of lucidity, earnestness and vigorous thought. It made one feel how admirably the present Archbishop is handing on the torch of heart-stirring eloquence which burned with such national splendor in the hands of the late Monseigneur Tache.

Fathers Deromeland Poulin left for the east on Monday in order to say their first masses each in his parish church. They will return about the 20th of this month to labor in the diocese of St. Bonface.

FRIENDLY ADVICE.

IS THE MEANS OF RENEWED HEALTH TO A SUFFERRR.

Dr. Williams' Pink Pills Succeeded Where Doctors Had Failed for Thirty Years-The Sufferer one of Northumberland Co's Best Known Men.

From the Trenton Advocate.

Mr. John Frost's case is a most remarkable one. He is one of the best known residents in the county of Northumberland, being a retired farmer of most ample means, and having financial dealings with hundreds throughout the townships. We have known him intimately for over 10 years. From him we gleaned the following facts in February last: "I was born in England and at twelve years of age arrived in Canada with my parents, who settled in Prince Edward county and remained there for three years. We then moved to Rawdon township in the neighboring county of Hastings, three years 1 resided in Seymour township and I am at present, and have been for the past ten years, a resident of Murray township. For thirty years I have been a martyr to rheumatism. During that time I have been treated by scores of doctors and found partial relief from but one. have during the same period tried

GETTING INTO MY RIG WAS AGONIZING. innumerable remedies, but all failed to cure me. Scarcely a month passes that I am not laid up, and frequently I am confined to bed six or eight weeks, unable to move hand or foot and suffering untold agonies. Two well known doctors told me one time that I would have to have an arm taken off to save my life. I tell you I have been a great sufferer in my time and I would give anything to find relief. My business causes me a great deal of driving and getting in and out of my rig is agony.

Knowing his story to be true and auxious that Dr. Williams' Pink Pills should have a severe test, we prevailed on Mr. Frost, much against his will, to give them a trial. He got six boxes and commenced to use them. At the start he smiled at our confidence in the pills. We saw him after he had used the first box and he admitted some relief and said he believed there was something in the remedy. He continued their use and by the time he had finished the six boxes he was as sound and proud a man as could be found in five counties. A couple of months have passed since the cure was effected and we deferred giving a history of the case in order that we could see for a certainty that the cure was permanent. We see him several times a week actively attending to his business and at all times loud in his praise of Pink Pills. All who know Mr. Frost know that his word is as good as his hond. Vesterdey we said to him. his bond. Yesterday we said to him, "Now, Mr. Frost, do you really feel that you are cured of rheumatism? Do you feel any twinges of the old trouble at all? He replied, "I am cured. The Pink Pills have thoroughly routed the disease out of my system and I feel a new man. The use of the pills has given me new life and I am telling every one I meet about the cure." Such is the case, and having known Mr. Frost for years the sufferer he was, and seeing him now active, and almost youthful again, the rapid change from suffering to health seems almost a miracle. THE BEST FAMILY PILL

Keep the Works in good order.

Norman, Out., January 15, 1890.

W. H. Comster, Brockville, Out.

Dear Sir,—Your "Dr. Morse's Indian Root Pills' are the best regulator for the system that humanity can use. Life is as the time-piece: frail and delicate are many of its works. A tiny particle of foreign substance adheres to the smallest wheel in the works, and what is the result?—at first, only a slight difference is perceptible in its time-keeping, but wait you; at the obstruction grows, the irregularity becomes greater, until at last, what could have been rectified with little trouble, in the beginning, will now require much care in thoroughly cleansing the entire works. So it is in buman life—a slight derangement is neglected, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning have been cured with little trouble, becomes almost fatal. To prevent this, I advise all to purify the system frequently, by the use of Morse's Pills, and so preserve v.gor and vitally.

Yours faithfully,

DEAR SIR,—For many years, I have been a firm believer in your "Dr. Morse's Indian Root I'lls."

Not with a blind faith, brit a confidence wrought by an actual personal experience of their value and merit. My busness is such that I spend runch of my time away from home, and I would not consider my travelling outfit complete without a box of Morse's Pills.

A STIMULANT. TONIC. A FOOD.

FOR OLD PEOPLE. FOR YOUNG PEOPLE.

Should you find the cold, raw autumn winds chilling you to the bone and making you teel as though it would be almost impossible to stand the still colder weather yet to come. Try say a half-pint bottle a day of our Extra Porter; the cost will be but a trifle over five cents per day and may do you a great deal of good.

Porter enriches the blood, warms up the system and generally produces a cheerfulness of mind and a desire to look upon the brighter side of life.

Many people say "I don't like porter or lager, if I did I would use it regularly and no doubt be benefitted by its use." Now, people, as a general thing, don't use only the medicines prescribed for them, that are palabable or that just suit their fency, they take anything and everything the doctor sends. So we say to such people take your porter as an article of fully recognized medicinal value, whether you like it or not. Porter—and this applies equally to our ale or lager—is so mild a stimulant that none of the depressing effects sometimes felt after using stronger stimulants is experienced.

Bottled in quarts, pints and half-pints, the latter one glass, no waste always fresh.
