PETITIONS

VIOLENT OFFENDERS

Mrs. Jan Brown (Calgary Southeast, Ref.): Mr. Speaker, I rise before this House on day three of this initiative to present petition number three, the second petition having been presented yesterday to the Clerk of the House.

These petitions are being presented on behalf of constituents who wish to halt the early release from prison of Robert Paul Thompson. April 11, 1995 is the date that has been set for his parole hearing.

The petitioners I represent are concerned about making our streets safer for our citizens. They are opposed to the current practice of early release of violent offenders prior to serving the full extent of their sentences.
