

December 23rd, 1926.

Messrs. Grosby Lockwood and Son,
7, Stationers' Hall Court,
London, E.C.4.

Dear Sirs:-

I have much pleasure in
acknowledging receipt of the copy of Mr. George
Higgins' "Centrifugal Pumps", which you so kindly
sent me.

I am passing this book on to
our Faculty of Applied Science for an opinion as
to its usefulness.

Yours faithfully,

Principal.
